**ATTENTION ALL COOKS:**

The 23<sup>rd</sup> Annual Raytown State Championship Barbeque Cook-Off is getting off to a fantastic start. The dates this year are June 8 and 9, 2012 and an application form is enclosed. You may also register on our website and see a site map of the event. [www.raytownchamber.com](http://www.raytownchamber.com)

There are a few items that we need to make certain you know:

- The event will be located in downtown Raytown just north of the intersection at 63<sup>rd</sup> Street and Raytown Road.
- There will be limited parking in the BBQ area for cars.
- We will have a limited amount of pavement area and are assigning these spaces to the teams with an RV or heavy trailer/smoker. Please indicate this on your entry form.
- Electrical - Teams must indicate on entry form the electrical power requested. The Chamber will determine if the power requested is available. Teams requesting electricity, must pay at time of their registration. Teams using more than the approved amount of electricity (5 or 15 amps), will be in violation of the rules and/or may be required to disconnect or pay additional fees. Teams planning to use electricity should bring at least 75 feet of extension cord, heavy enough to handle the approved electric load. If using more than one electrical device, Team is required to provide an adequate power strip with fuse or breaker protection.
