## PRESIDENT'S CORNER

With the deadline for the Each One Reach One Membership Drive fast approaching, we want to remind all our members to reach out to those businesses who are not Chamber members and try to get them to join! Over 500 letters were mailed to potential members the first part of April and a group of 15 volunteers made follow-up calls. Thank you to: Loretha Hayden, Pat Ertz, Michelle Williams, Rene Purtee, Irene Ferguson, Verletta Martin, ElizaBeth Clayton, Meshelle Bishop, Steve Meyers and Jeff Hirst. If you have a business you have been trying to get to join the Chamber and need some additional help, please do not hesitate to contact the Chamber office and someone from the Board of Directors, the Membership Services Committee or Staff can follow-up with them. Remember, we will be recruiting new members all year so even if a business does not join during the membership drive, they can join at any time!

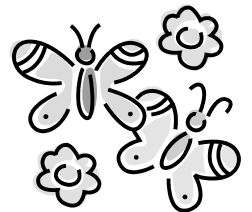

With over 25 new members since the beginning of the year, please remember when you are needing a service go to the Chamber's website, [www.raytownchamber.com](http://www.raytownchamber.com) and see if there is a member who can help you with what you need. If not, visit a Raytown area business first and let them know we would love to have them as a member.

Congratulations to all the graduating seniors – what a great accomplishment! I graduated in 1980 and still to this day, remember my graduation. Do you? Take a moment to think about it and smile! Have a great May!

Don't forget to stop by the **After Hours Networking**, **Thu. May 1, at Wing Stop** at Blue Ridge Crossing, 11825 US 40 Highway Ste. C!

My door is always open,  
come by anytime!

*Vicki Turnbow, President*

## RAYTOWN CHAMBER MEET & GREET

New Members who have joined the Raytown Chamber since January 1 will be invited to a Chamber Meet and Greet on **Thursday, June 19 from 4:30 to 6:30 pm. Extreme Grand Prix located at 6731 Blue Ridge Blvd. will host this event.** We are asking current members to attend and help us welcome the

new members, please remember this is a business event. There will be a cash bar and refreshments available along with some great networking. Be watching for further information to be placed in the June newsletter and in a Constant Contact Email. Reservations will be required.

**EACH ONE → REACH ONE**

# MEMBERSHIP DRIVE DATES:

*Reach Out NOW,  
ONLY 30 days left!!!*

- ➔ Bring in the most new members and receive **\$500 Cash!**
- ➔ Bring in the second most and receive **\$250!**
- ➔ And the third most, **\$100!**

➔ Each member that brings in one member will be put into a drawing to receive one of three **\$50.00 cash prizes.**

At the March, April & May luncheons, everyone who brought in a new member that month, will be entered in a drawing for a gift!

- ➔ Please forward the membership packet that was emailed out, to anyone you feel would be a great Chamber member. They may also sign up at [www.RaytownChamber.com](http://www.RaytownChamber.com) under "Join Us". Printed packets are available for pickup at the Chamber office.
- ➔ Winner's of the cash prizes will be announced at the June 25 membership luncheon.
- ➔ Each application received will be dated and if the recruited by space is left blank, staff will contact the company to see who they were recruited by.
- ➔ To be eligible for the cash prizes, the application and check for the full membership dues must be received before end of business May 30.
- ➔ Individual memberships, additional locations and full memberships will be counted as a new member. Additional reps are not eligible.
- ➔ Administrative fee of \$25.00 waived during the membership drive dates

# 2014 Procurement Conference, sponsored by Senator Claire McCaskill, along with the Missouri Procurement Technical Assistance Centers and the UCM Small Business & Technology Development Center.

**Thursday, May 29, 2014 7:30 a.m. – 4:30 p.m.**

Are you interested in selling your product or service to Government agencies or prime contractors? Learn how to do this and make contact directly with various government agencies and prime contractors at the 2014 Procurement Conference Thursday, May 29. A number of government agencies and private contractors will have exhibits and will be available to talk with you about contracting opportunities for your business.

Based on attendance and feedback received from attendees and exhibitors in the past, some updates are being made to improve the value of the conference even further. For your benefit, the content is being grouped into panels of similar types of services or buying activities. Although the panel titles are tentative, they are being formed along these lines: Panel I—How to Get Ready for Government Contracting (*SBA Financing; Selling to the Government; Contract Pricing and Estimating; SBA Contracting Programs*). Panel II—How to Get Contracts with Government Entities (*Veterans Affairs; Contracting with the State of Missouri and Local Governments; Base and Post Contracting; Pricing the Contract*). Panel III—How to be a Subcontractor: (*Prime Contractors such as ATK, Boeing, or Northrup Grumman*).

In the past, a large number of attendees participated in the conference, so make your reservation no later than May 24. The total cost, including lunch and all events, is \$60 per attendee.

### Location

The conference will be held at the Elliott Union Building at the University of Central Missouri in Warrensburg, MO.

### Contact Information

## EASTERN JACKSON COUNTY BUSINESS EXPO 2014

Thank you to those Raytown Chamber Members who participated in the Eastern Jackson County Business Expo on April 24. This year, the Independence Chamber of Commerce invited Raytown Chamber, Grain Valley Chamber and the Grandview Chamber to participate as well. What a great turnout! Thank you to Alex Colley with the Independence Chamber for all her help!

*Welcome!*

## Comcast Surpasses One Million Wi-Fi Hotspots Across Nation Customers have more access, home and away, across multiple devices.

Comcast, whose Kansas City territory includes Independence, Raytown, Lee's Summit, Grandview and Olathe, today announced it has surpassed one million Wi-Fi hotspots across the nation. The company's **Xfinity WiFi** network, the largest in the U.S., allows customers to connect more devices and do more online, in more places and at any time. They also have an agreement that anywhere a Time Warner wi-fi hotspot is located, Comcast customers can use their mobile devices in that hotspot.

### **Xfinity WiFi Hotspots Fastest in the Nation**

According to a recent report from Cisco Systems, Wi-Fi and mobile-connected devices will generate 68 percent of Internet traffic by 2017. At this pace, it is expected that U.S. consumers will download and upload more data on their smartphones or tablets in 2018 than they did on their laptops in 2013.

The Xfinity WiFi network is growing to support these trends in the following ways:

- **Outdoor Hotspots:** Comcast has placed Xfinity WiFi hotspots in public locations across the country, ranging from shopping centers and commuter stations to parks, sporting venues, beaches and boardwalks. Cities include San Francisco, Chicago, Boston, Philadelphia, Washington, D.C., and Atlanta as well as areas of New Jersey, Maryland, Virginia and Delaware.

- **Business Hotspots:** Most Comcast Business Internet customers are eligible to receive an Xfinity WiFi hotspot for no additional charge when they order service. This is a value-added feature that directly improves their patrons' experience. Examples include restaurants, cafes and bakeries, retail establishments and office waiting rooms.

- **Neighborhood Hotspots:** Recently, Comcast began providing residential customers with Xfinity Wireless Gateways the ability to have a second "xfinitywifi" signal (or SSID) in their home that is separate and distinct from their private and secure home Wi-Fi signal. This additional access point provides Xfinity Internet subscribers with a Wi-Fi signal without the need to share a homeowner's private network password. This service is included at no additional charge.

The **Xfinity WiFi App**, available for download on both **iOS** and **Android** devices, makes it easy to locate business and outdoor hotspots, or by visiting the hotspot finder map online at [www.xfinity.com/wifi](http://www.xfinity.com/wifi).

### **About Comcast Cable**

Comcast Cable is the nation's largest video, high-speed Internet and phone provider to residential customers under the XFINITY brand and also provides these services to businesses. Comcast has invested in technology to build an advanced network that delivers among the fastest broadband speeds, and brings customers personalized video, communications and home management offerings. Comcast Corporation (Nasdaq: CMCSA, CMCSK) is a global media and technology company. Visit [www.comcastcorporation.com](http://www.comcastcorporation.com) for more information.

The Directors of the Raytown Fire Protection District are pleased to announce that **Matthew Mace** has been appointed as the fifth **Fire Chief** in the 70 year history of the Fire District. His promotion will be effective on May 1, 2014. Matthew had been serving as the interim fire chief since October 22, 2013.

Matthew became a paramedic in 1995 and started working for Raytown EMS in 1996. He was hired by the Fire District as a Firefighter/Paramedic in 1999. In 2007, he was promoted to Fire Marshal.

Matthew is active in the community and resides in Raytown with his wife Rachelle and his children, Zachary and Claire.

The Directors cited his relationships with community leaders and organizations in addition to his knowledge of the Fire District and leadership during the interim period as factors in the decision to appoint him as the permanent fire chief.

Robert Palmer, President

Barb Schlapia, Vice Pres. — Willard Ross, Sec.
