PRESIDENT'S CORNER

June will be an exciting month for me personally. My daughter, Amanda and her husband Pat are expecting their first baby and I couldn't be more happier. They will be wonderful parents. I hope to share some photos and the little boy's name after he is born. His name is being kept a surprise. My grandson, Blake (son of Klayton & Kirsten) says "GaGa, I can't wait for the baby to come so we can play!"

In June, Nancy Bruns current President of the Lee's Summit Chamber of Commerce will retire after being in Lee's Summit for 15+ years. Prior to being in Lee's Summit she was the President of the Raytown Chamber and worked for the Independence Chamber. Nancy has been a great mentor to me and will be greatly missed in the Chamber world. She is retiring to spend more time with her granddaughter. I am sure we will be able to connect after work sometime to catch up.

In looking over the list of this year's golf tournament, we had in attendance 12 Chair/ Presidents of the Chamber Board. They were: Bob Easley-1984; Dr. Jerry Hamblin-1986; Mike Apprill-1994; Shirley Wurth-1997; Paul Broome-1999; Allan Thompson-2000; Judy Ness-2001; John Ness-2004; Tom Gibbens-2008; Dr. Tim Chirpich-2009, Pat Ertz-2012 and current Chair, Michelle Williams. I really appreciate the support of this group.

Even though it is summertime, your Chamber Staff is still working hard for you the Chamber member. Besides the day to day operation of the Chamber, we are keeping in touch with Jackson County in regards to the Rock Island Corridor and what we can do to help spread the word about this great project; we are on a steering committee for the city of Kansas city for the Blue Ridge Area Plan; we are part of the Mayor's Marketing Committee to help develop a new tag line or marketing points for the City, we attend the monthly Raytown Main Street Association meetings, we meet with City Staff to get update on projects such as the downtown Streetscape and we are currently working with the League of Women Voters to hold a candidate forum for the State Representative District 28 race.

My door is always open, come by anytime!

Vicki Turnbow, President

The Raytown Chamber Staff attended the Council on Aging's Senior Expo held on May 5 in the Council Chambers at Raytown City Hall. Thank you to Alyse Stoll for allowing us to attend this event and hand out information about the 3rd Annual Senior Celebration LUAU 2016

See pg. 10 for details

At the May 20 Government Relations meeting, attendees were given an update from Raytown City officials (Mayor Mike McDonough, Aldermen Josh Greene and Janet Emerson) and State Representative Tom McDonald from District 28 provided an overview of what happened in Jefferson City since session had just ended. Mr. Calvin Williford, Executive Director of the Rock Island Rail Corridor Authority along with Matt Davis and Josh Boehm provided an update on the Rock Island Corridor. They handed out a Fact Sheet about the Rock Island Corridor (included) and invited those in attendance to visit their website for up to date information. The Raytown Chamber has offered their assistance to Jackson County and the Authority. This is an exciting time not only for Jackson County but for Raytown itself. A hiking/bicycle trail will be first on the list to complete coming right through Raytown. Be watching for updates through the Chamber's newsletter, email and Facebook page.

From their website- <http://www.jacksongov.org/776/Rock-Island-Rail-Corridor-Authority>

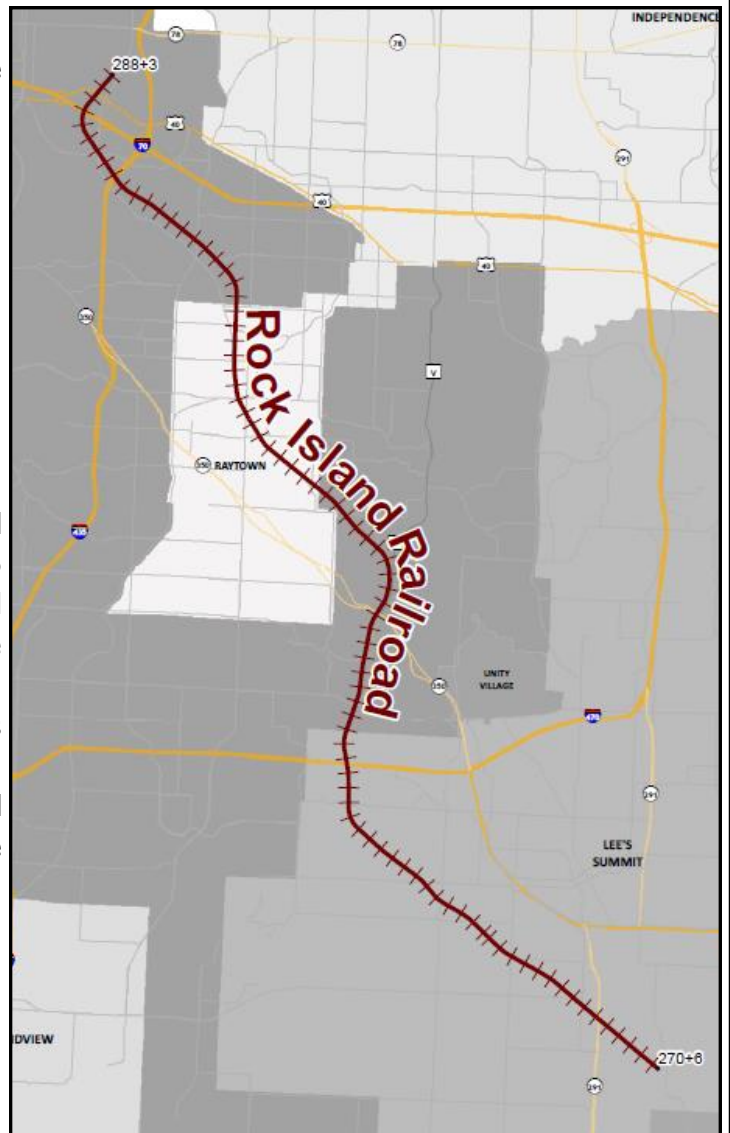

The Rock Island Rail Corridor Authority (RIRCA) was established to manage and maintain the Rock Island Corridor, which Jackson County acquired in the spring of 2016.

The RIRCA works on a variety of topics related to the Rock Island Corridor, including, but not limited to, the following:

- Corridor engineering and design
- Legal and regulatory issues related to corridor real estate and property development
- Corridor maintenance
- Corridor safety
- Communications
- Branding regarding the corridor
- Procuring federal funding
- Administrative support

The 17.7-mile corridor stretches from Arrowhead and Kauffman Stadiums south through Raytown and into Lee's Summit. Transforming a portion of the Rock Island Corridor into a hiking/bicycle trail will commence immediately. Corridor planning and design will focus on preservation of the national rail network corridor's integrity, most notably the railroad corridor's unencumbered continuity, and on multi-modal transportation options as the corridor remains available for freight service.

Raytown Area Chamber of Commerce & Raytown Rotary Club
GOLF TOURNAMENT
 THURSDAY, MAY 19, 2016

The Raytown Chamber/Raytown Rotary Golf Tournament was held on Thursday, May 19 at Hillcrest Golf Club. A big thank you to the sponsors listed on page 6. Eighty golfers, four virtual golfers and 15 volunteers were able to network and had a great time. Each virtual golfer was assigned to an actual team/golfer and if their golfer won something so did the virtual golfer. Unfortunately, none of our virtual golfers won anything, but were able to come out and enjoy lunch, register and get their tee package and network with the rest of the group. The tournament was a four person scramble and prizes were awarded in two flights for first, second and third place. Those winners were:

1st Place Teams

- A Flight: Wagler, Kimbley, Wilson & North
- B Flight: Bethel, Harding, Turnbow & McDonough

2nd Place Teams

- A Flight: Markley, Shelton, Bradshaw & Lynch
- B Flight: Parker, Mock, Mock & Hamblin

3rd Place Teams:

- A Flight: Smith, Stephens, Howitt & Sisk
- B Flight: Chirpich, Gillig, Gillig & Easley

The putting contest was won by Terry Allee and split the pot with the Chamber/Rotary group taking home \$115.00. Bill Pence won closest to the line on hole 18 and Todd Kodas won longest putt on hole 9.

This year several sponsors took the opportunity to come out and greet the players at their sponsor holes. Crane Brewing Company was stationed at hole 1 and treated golfers to samples of two of their craft beers. Comcast Business was at hole 4 and Adam's Mark Hotel & Conference Center was on hole 7 just waiting for someone to get a hole in one and win \$10,000. Sadly no one won the cash prize. Arvest Bank handed out frozen snickers on hole 18. Central Bank of the Midwest took care of the putting contest and Express Employment Professionals and Raytown-Brooking Eagle made sure the players were well hydrated by taking care of the beverage cart/area. Thank you to the golf committee who stepped up and really helped with the securing of donated product (water, soda and beer) plus prepared the items for the awards reception. If you loved the homemade desserts, please make sure to thank Shirley Wurth. Terry Landers, Matt Tholen, Tom and Donna Gibbens, Kaylie Baker, Ashley Duncan, Paul Broome and Michelle Williams volunteered their time to help with setup and teardown along with registration and making sure the tournament ran smoothly. A big thank you to Jeff Locke and his staff at Hillcrest Golf Club for their patience and guidance in planning and executing the golf tournament.

RAYTOWN POLICE DEPARTMENT TO HOST ANNUAL FREE SAFETY FAIR

The Raytown Police Department will be hosting their annual Safety Fair on **Tuesday night, June 14, from 5:30pm to 8:30 pm at Kenagy Park, 9700 East 79th Street**. The event, now in its fifth year, provides the public with an evening of crime awareness and prevention through interactive vendor displays, including up-close and personal vehicle displays from the Raytown Public Works Department, Raytown Police Department, Raytown EMS, and the Raytown Fire Department. Other vendors and displays include the Jackson County Sheriff's Mounted Posse, the Missouri Search and Rescue Group (MOSAR), and The Lee's Summit Bomb Squad.

The Raytown Police Department will be providing free hot dogs for the public as long as supplies last. There will be various giveaways and demonstrations will occur throughout the evening. The Safety Fair is the perfect way for Raytown community residents to come together for a family-friendly event. Residents are encouraged to invite their neighbors, bring their family and their friends, and learn about safety for themselves and as a community.

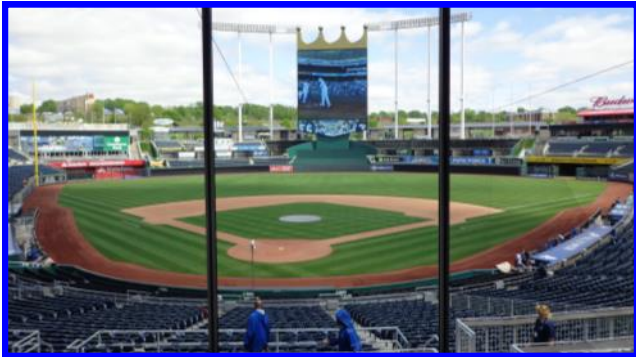

For questions about Safety Fair, please contact the Community Services Unit at 816-737-6018.

RAYTOWN'S 5TH ANNUAL ARTS & MUSIC FESTIVAL

The Raytown Arts & Music Festival will be hosted at **Kenagy Park, 9608 E. 79th St., August 27th from 12:00-7:00PM**. There will be a wide variety of art displays throughout the park, a free concert of 5 different bands through the day. Multiple food trucks will be selling food & drinks at the event to give you a variety of options on site. The Raytown First Baptist will be sponsoring a kid's area with art projects & play games for free. This is going to be a great event for Raytown music & art lovers of all kinds. This festival is sponsored by the Raytown Parks Department, Dick Smith Ford, Raytown Brooking Eagle, Funhouse Pizza, Teetering Rocks Golf Course, KCP&L, & Raytown Lee's Summit Credit Union.

If you would like to become a sponsor of the event, or a supporter, please contact Dave Turner at the Raytown Parks Department to see how you can become involved in Raytown's largest community event of the year! We work with business and individuals who are interested in advertising their business, as well as those who would like to support the development of their community. Last year we had 6,000 people attend the Raytown Arts & Music Festival, and we never would have had such success without our sponsors and volunteers. This is a great event to start your involvement in Raytown, and show your community support. For more information, please contact the Raytown Parks Department at 358-4100. We hope to see you there!
