"THINK RAYTOWN FIRST" – this Holiday Season!

If each person bought an extra item, paid for an additional service or even bought an item they normally buy outside the city limits of Raytown – think what that would do to city services, to taxes and even more importantly to that local business.

PRESIDENT'S CORNER

The Raytown Chamber held a "Come Grow With Us" Membership Drive from August 1 through September 30. Even though we did not reach our goal, the following people recruited a new member and as a thank you from the Chamber received a \$50 gift certificate to a Chamber member of their choice. **Pam Clark** - to V's Italiano Ristorante, **David Lopez** - to Raytown Gregory Animal Health Center, **David McGee** - to Aldi's, **Michael Riley** - to Lutfi's Fried Fish.

The Raytown Area Chamber of Commerce Board of Directors voted to accept Holly Grimwood's resignation from the Board effective October 15. Holly has been a member of the Board since January 2015 and her guidance and leadership not only with the Board but also the Raytown Young Professionals group will be missed. Holly is being replaced on the Board by Kristina Peters. Kris has been an At Large member of the Board since January 1, 2016 and will fill the remaining term to December 31, 2017.

I had the honor of attending the Steve Mock Memorial Tree and Monument Dedication at Raytown City Hall on Tuesday, October 18. A very large crowd of Steve's family and closest friends attended. The Magnolia tree is located on the east side of City Hall near the staff entrance of the building. What a great tribute to someone who gave his had a commitment to Raytown.

My door is always open, come by anytime! *Vicki Turnbow, President*

Rosalie Vanzant – Passed away on October 10, 2016 at the age of 90. She was the Executive Director of the Raytown Chamber from 1977 to 1984. In November of 2009 when the Chamber was celebrating its 80th anniversary, we asked her for some insight into the Chamber at that time. Here is what she told us:

"As I recall, the late '70's and early '80's were exciting days for the Chamber. There were a lot of dedicated volunteers, both men and women, and some good leadership. The Chamber membership grew dramatically, and we were becoming more involved in the life of the community. There were a lot of projects. We got a grant and started the Neighborhood Councils. Their first big project was the Neighborhood Watch program operated in conjunction with the Raytown Police Department. Round-up Days were going strong, and we had some spring retail promotions. The Chamber got its first computer about 1980, and the Chamber newsletter was expanded. Also, the Chamber had its first two women presidents."

Rosalie loved Raytown and was involved in so many organizations. Her knowledge of the history of Raytown and who were the movers and shakers of the community along with the stories will surely be missed.

Fall is an exciting time for the **Government Relations Committee** at the Chamber!! We are busy compiling updates to our Guiding Principles document in our monthly round table discussions. In these discussions we talk about how the Chamber can support the businesses of Raytown in the areas of local issues, business and economic development, transportation, education and health care and social awareness. We share the Guiding Principles document with our elected officials who pass legislation and ordinances that impact the business vibrancy and quality of life of Raytown.

On a sad note, we say goodbye to Alderman Josh Greene in his role as co-chair of the committee. Josh has admirably brought his commitment to Raytown and outstanding leadership skills to help move the committee forward. I want to welcome Carol Baker as the new co-chair. Carol is no stranger to Raytown or the Chamber. She is currently a community business manager with KCPL, one of our most engaged partners. Welcome Carol!!

Finally, our monthly table discussions are open to all members and are at **8 a.m. on the third Friday of the month** at the Chamber offices. We encourage you to come join us for coffee and some great conversation!

ROCK ISLAND CORRIDOR PROJECT UPDATE

The Rock Island Corridor Team is currently working through some important early project delivery milestones including a boundary and topographical survey of the corridor and the selection of a design and engineering team. The boundary survey is complete and the topographical survey is under way. We anticipate all the survey work will be completed and delivered to the County by early December. This information is critical to the design and engineering of the shared use path.

Additionally, the Rock Island Corridor Authority has been working to get the selected design and engineering team under contract. We anticipate this should be finalized during the month of November, and planning for the shared-use path will begin shortly thereafter. Once the design and engineering team begins their work, many decisions regarding the development of the path will begin to occur. We anticipate more information to become available as this planning work progresses.

The Rock Island Corridor Authority team would like to express our gratitude to Raytown and the Raytown Chamber for their continued support of the project. If you would like more information please see our website: rockislandcorridor.org, or call our offices at 816-503-4847.

FOUNDED: August 2013 by Gary Schmitz

CHAMBER MEMBER SINCE: 2014

EMPLOYEES: 4 (2 full-time, 2 part-time)

HOURS: 9:00 a.m. – 5:00 p.m., Monday - Friday

SERVICES: Caring for Kids mobilizes sustainable, transformative community school partnerships that inspire hope and prepare children to impact their world. All resources, initiatives, and volunteers invested in the schools are generated by the churches, businesses, and civic groups we connect strategically and collaboratively. This expands our impact significantly because it is the cumulative impact of 171 churches and 119 businesses / civic organizations which far exceeds what our staff of four can accomplish on their own. Business partners serve schools in numerous ways, including mentoring, classroom enrichment, career days, field trips to their businesses, facility improvements, staff appreciation, and clothing, food and supply support.

FUTURE PLANS: We are expanding our partnership base through the assistance of District Champions, leaders in the community who introduce other churches, businesses and civic organizations to Caring for Kids.

In addition, we are holding several Lunch & Learn meetings in January, where new and existing partners may learn more about the mutual benefit that is received when serving into the community as well as how to envision members of their business or organization to engage greater support in projects and mentorship.

ORGANIZATION PHILOSOPHY: Caring for Kids functions as a neutral convener to engage the community around a neighborhood school for collaborative impact. We serve without an agenda and we begin with the simple question, "How can we help?"

OUR ORGANIZATION IS A CHAMBER MEMBER BECAUSE: We wish to make connections with new businesses and civic organizations that may be interested in serving in the community through area schools. We want to be engaged and aware of all the great things going on in Raytown.

Our Members in the News

Our congratulations to World War II veteran **Quentin Clark, Clark's Appliances**, who was honored to go on the Heartland Honor Flight to Washington DC on September 29.

Honor Flight Network is a non-profit organization created solely to honor America's veterans for all their sacrifices. We transport our heroes to Washington, D.C. to visit and reflect at their memorials. Top priority is given to senior veterans, World War II survivors, along with other veterans who may be terminally ill.

It's hard to believe next year our **Otto Car Wash at 8609 E. 63rd Street** will be 30 years old! A lot has changed in car washing, better chemicals and how they are delivered to the vehicle. Our new soft touch tunnel uses the latest technology to safely remove dirt and hard to remove road film. This new process is a slower turning soft material similar to micro cloth. We no longer need to use a bristle type brush or a high speed foam brush. Our new touch free automatic has the ability to wash vehicles 8 feet high and as large as a four door long bed dually truck. Because of the savings in water and chemical we have kept the pricing the same. We are also offering November 1 through December 31 our yearly Christmas promotion 6 car washes for \$20.

At this location we are offering our OTTOUNLIMITED Car Wash Program starting at \$14.99 per month. This unlimited car washing program has been our most popular promotion we have ever offered! At the \$24.99 per month cost, you will receive our \$12.00 wash each time and this option has been our most popular.

Over 1000 carved pumpkins greeted visitors at the **2016 PUMPKINS ON PARADE**. Forty different groups carved pumpkins to be displayed on the trails at Cave Spring for the one night only event. Pumpkins on Parade, a Raytown Three Trail service project, is in its seventh year. The family friendly event includes games for children presented by the Raytown High School Key Club, (a Kiwanis organization), food trucks and the Raytown Fire Department sharing information on fire safety. Pumpkins on Parade is one of the largest events held in Raytown with over 3000 in attendance. Pumpkins are purchased with sponsor money and given to eligible groups that have registered to carve a display of pumpkins. These sponsors make this event possible:

Southeast Enterprises is gearing up for the **2016-2017 HOLIDAY LIGHT RECYCLING DRIVE**. The drive was launched in 2011 with the intent of providing work opportunities for its employees with intellectual and developmental disabilities as well as diverting solid waste from our local landfills. Due to the overwhelming response from the community Southeast has collected over 124,000 pounds or 62 tons of lights from over 165 different locations, the last five years. Southeast and its community partners are excited to build on the success of last year's drive and hope to collect and recycle over 50,000 pounds of holiday lights between 11/13/16 and 1/20/17 (Walmart locations will be accepting lights until 12/31/16). In addition to keeping holiday lights out of the landfill, we have the benefit of providing challenging work for over 160 employees with intellectual and developmental disabilities.

Look for our collection containers inside over 165 participating schools, businesses, recycling centers, and community organizations. If you are unable to find a drop location please feel free to bring them to our facility located at 6701 Booth Ave. Our hours are Monday through Friday from 7:30 am to 3:00 pm.
