PRESIDENT'S CORNER

Have you ever wanted to be on a Board of Directors?

The Raytown Area Chamber of Commerce will be accepting applications from those Chamber members who would be interested in serving on the Board of Directors. The Nominating Committee will be meeting throughout August to review the current Class of 2018 and who is eligible to continue for the Class 2021.

If you are interested in getting more involved by being a board member, contact the Chamber and an application will be emailed to you. Questions, contact Vicki Turnbow at 816-353-8500 or email her president@raytownchamber.com.

On page 17 there is an updated calendar. There are some great networking and community events coming soon.

I had the opportunity to present a check for 50% of the proceeds from the combination Raytown Chamber/Rotary Golf Tournament which was held on May 17 to President, Brian Huff with the Raytown Rotary Club. Thank you again to those who participated in this year's tournament.

Congratulations to Dave Thurman for being named the 2018 West Gate Region Missouri Municipal League's Civic Leader of the Year. Mayor Mike McDonough selected Dave because of his continuous contributions to the Raytown community.

Congratulations to the Raytown Historical Society on the grand re-opening of the museum. Stop by on Monday, August 6 at 11:00 a.m. Visit their website www.raytownhistoricalsociety.org to see all the updates.

Remember my office is always open!

Vicki Turnbow, President

On July 26, the Raytown Chamber Board of Directors volunteered with the Raytown Summer Lunch Ministry located at Raytown Christian Church.

Interested in having the *Business Brigade* visit your business? These visits provide a better understanding of what the business/ organization has to offer and hopefully will be educational and fun. Each month we will try to schedule at least two visits. During the visits, if allowed by the business, we hope to live stream on Facebook, post on Twitter and place some photos on Instagram! If you would like the *Business Brigade* to visit your business, please contact Vicki at 816-353-8500 or email her at president@raytownchamber.com. What a great way to show off your business to a small but mighty group of Chamber members!

Primary Election in the City of Raytown

Tuesday, August 7, 2018

The primary election on Tuesday, August 7, 2018 will include three ballot items related to the City of Raytown. This is the approved language you will see on election day.

Property Tax Levy

QUESTION 1

"Shall the general property tax rate for all subclasses of property be **increased to \$1.00** per one hundred dollars of assessed valuation so that the tax rate ceiling and the maximum authorized levy is set at \$1.00 in the 2018 tax year and subject to required rollbacks in the following tax years?"

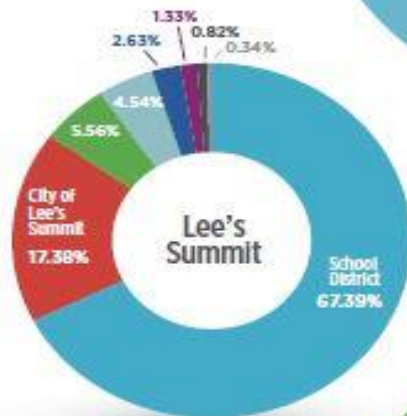

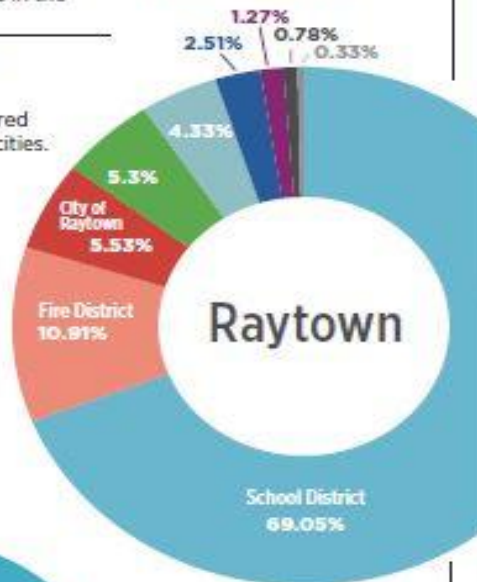

JACKSON COUNTY 2017 PROPERTY TAX DISTRIBUTIONS BY CITY

The City of Raytown is being compared with other adjacent Jackson County cities.

- School District
- Fire District
- City of Raytown
- Jackson County
- Mid Continent Library
- Metro Junior College
- Mental Health
- Handicapped Workshop
- State of Missouri Blind Pension

What is a Property Tax Levy?:

Property tax is based on the County's assessed value of real (e.g., homes and land) and personal property (e.g., cars and boats). A percentage of each dollar of property tax is distributed between the County, City, School District, and other taxing districts.

Motor Fuel Fee

QUESTION 2

"Shall the City of Raytown, Missouri impose a city-wide Motor Fuel Fee on and paid by gasoline filling stations selling diesel fuel, gasoline, and/or blended fuels in an amount not to exceed two cents (\$0.02) per gallon based on the gallons of motor vehicle fuel sold, the proceeds which shall be used solely for construction, reconstruction, maintenance, repair, and signing of roads and streets?"

What is a Motor Fuel Fee?:

This is a fee supplementing the price of motor fuel purchased within the City of Raytown and would be applied per gallon on the sale of motor fuel within the

City. The City of Raytown does not currently have a motor fuel fee charged on the purchase of fuel.

Per state law, this fee must be used solely for transportation improvements.

331 LANE MILES OF STREETS IN RAYTOWN

Use Tax

QUESTION 3

"Shall the City of Raytown impose a local use tax at the same rate as the total local sales tax rate, currently 2.50%, provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by persons whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year."

USE TAX FAQ:

When is the Use Tax Imposed?: A use tax only applies to purchases of out-of-state goods which do not already include a sales tax.

How much is the Use Tax?: The amount of use tax due on a transaction depends on the combined (local and state) use tax rate in effect at the Missouri location where the tangible personal property is stored, used or consumed.

Use Tax Impact on Local Businesses: Will allow an equal playing field for the City's brick-and-mortar stores competing with online/catalog purchases.

Difference between Use Tax and Sales Tax: Sales and use taxes WILL NOT and CANNOT be applied at the same time. Shoppers would either pay Raytown's local sales tax of 2.5% at local retailers OR pay a 2.5% use tax on purchases from out-of-state retailers.

WHERE DO YOUR RAYTOWN SALES TAX PAYMENTS GO?

*Excludes Raytown Fire District Sales Tax
