PRESIDENT'S CORNER

The primary election on Tuesday, August 7, 2018 will include three (3) ballot items related to the City of Raytown. The Government Relations heard information on all three and presented their recommendation to the Raytown Chamber Board of Directors to support all three. The statement shared with various outlets is listed below. Also, on page 11 is educational information about each ballot item including the ballot language.

Please take a moment to read and share with your employees and customers who live and Raytown. The deadline to file to register to vote is July 11. Just click on the logo and follow the directions.

Register to Vote in Missouri

“The Raytown Area Chamber of Commerce Board of Directors voted unanimously to support the three ballot initiatives proposed by the City of Raytown on the August 7, 2018 ballot: Question 1 Property Tax Levy, Question 2 Motor Fuel Fee and Question 3 Use Tax. The Board of Directors believes strong city services are the backbone of any community and passage of these three initiatives will help ensure the quality of life for the City’s citizens and business community.”

Over the next few months, we will learn more about the process with regards to the Rock Island Trail. We hope to offer updates both by email and through our digital newsletter. During this process, we will finalize the remodel of the Chamber office and a refresh on the logo. The Raytown Chamber of Commerce Building Foundation is a 501c3 and we hope to do a small capital campaign to help offset some of the costs. Interested in more information, please do not hesitate to contact me personally.

Have a safe and wonderful summer and remember my office is always open!

Vicki Turnbow, President

Michelle Williams stopped in before she left for her home in Florida. Don't worry, she promises to be back soon!

Did you
know?

Raytown Chamber of Commerce hosts a community event calendar through the chamber website!

You or your organizations can add your community events to the calendar 24 hours a day/ 7 days a week in 4 easy steps!

* Step 1: Go to www.raytownchamber.com

* Step 2: On the RIGHT hand side of the page (under the photo of the clock) click “click here to view the events calendar”.

* Step 3: This will take you to the events calendar. You can browse other events OR you can click to add an event - in gray bar on right hand side of the screen again.

* Step 4: Fill out the form, select the type of event and click Submit!

Once submitted, your event will be reviewed and added to our events calendar!

Interested in having the *Business Brigade* visit your business? These visits provide a better understanding of what the business/ organization has to offer and hopefully will be educational and fun. Each month we will try to schedule at least two visits. During the visits, if allowed by the business, we hope to live stream on Facebook, post on Twitter and place some photos on Instagram! If you would like the *Business Brigade* to visit your business, please contact Vicki at 816-353-8500 or email her at president@raytownchamber.com. What a great way to show off your business to a small but mighty group of Chamber members!

Primary Election in the City of Raytown

Tuesday, August 7, 2018

The primary election on Tuesday, August 7, 2018 will include three ballot items related to the City of Raytown. This is the approved language you will see on election day.

Property Tax Levy

QUESTION 1

"Shall the general property tax rate for all subclasses of property be **increased to \$1.00** per one hundred dollars of assessed valuation so that the tax rate ceiling and the maximum authorized levy is set at \$1.00 in the 2018 tax year and subject to required rollbacks in the following tax years?"

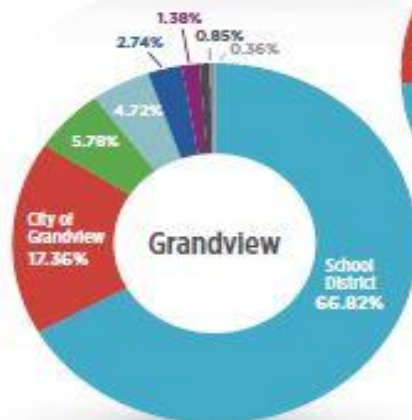

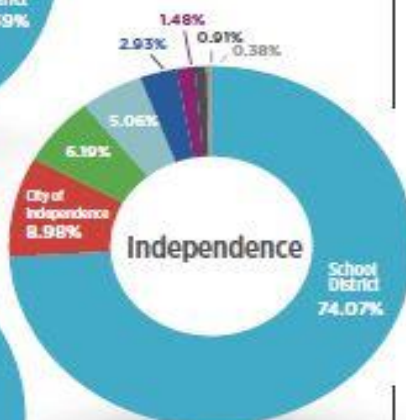

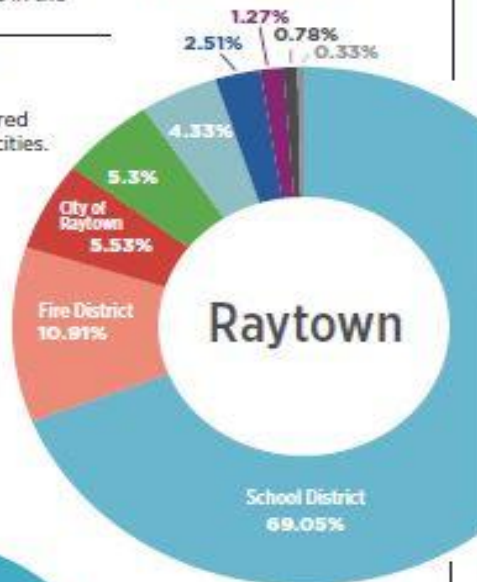

JACKSON COUNTY 2017 PROPERTY TAX DISTRIBUTIONS BY CITY

The City of Raytown is being compared with other adjacent Jackson County cities.

- School District
- Fire District
- City of Raytown
- Jackson County
- Mid Continent Library
- Metro Junior College
- Mental Health
- Handicapped Workshop
- State of Missouri Blind Pension

What is a Property Tax Levy?:

Property tax is based on the County's assessed value of real (e.g., homes and land) and personal property (e.g., cars and boats). A percentage of each dollar of property tax is distributed between the County, City, School District, and other taxing districts.

Motor Fuel Fee

QUESTION 2

"Shall the City of Raytown, Missouri impose a city-wide Motor Fuel Fee on and paid by gasoline filling stations selling diesel fuel, gasoline, and/or blended fuels in an amount not to exceed two cents (\$0.02) per gallon based on the gallons of motor vehicle fuel sold, the proceeds which shall be used solely for construction, reconstruction, maintenance, repair, and signing of roads and streets?"

What is a Motor Fuel Fee?:

This is a fee supplementing the price of motor fuel purchased within the City of Raytown and would be applied per gallon on the sale of motor fuel within the City. The City of Raytown does not currently have a motor fuel fee charged on the purchase of fuel. Per state law, this fee must be used solely for transportation improvements.

331 LANE MILES OF STREETS IN RAYTOWN

Use Tax

QUESTION 3

"Shall the City of Raytown impose a local use tax at the same rate as the total local sales tax rate, currently 2.50%, provided that if the local sales tax rate is reduced or raised by voter approval, the local use tax rate shall also be reduced or raised by the same action? A use tax return shall not be required to be filed by persons whose purchases from out-of-state vendors do not in total exceed two thousand dollars in any calendar year."

USE TAX FAQ:

When is the Use Tax Imposed?: A use tax only applies to purchases of out-of-state goods which do not already include a sales tax.

How much is the Use Tax?: The amount of use tax due on a transaction depends on the combined (local and state) use tax rate in effect at the Missouri location where the tangible personal property is stored, used or consumed.

Use Tax Impact on Local Businesses: Will allow an equal playing field for the City's brick-and-mortar stores competing with online/catalog purchases.

Difference between Use Tax and Sales Tax: Sales and use taxes WILL NOT and CANNOT be applied at the same time. Shoppers would either pay Raytown's local sales tax of 2.5% at local retailers OR pay a 2.5% use tax on purchases from out-of-state retailers.

WHERE DO YOUR RAYTOWN SALES TAX PAYMENTS GO?

*Excludes Raytown Fire District Sales Tax

Our Members in the News

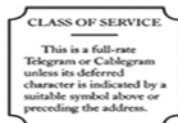

Congratulations

The Raytown Chamber would like to extend congratulations to new Director of Raytown Parks, Mr. Dave Turner! Dave began his employment with Raytown as the Sports & Special Event Supervisor in May of 1999. Turner came to the Raytown Parks Department from the Kirkwood, MO Parks & Recreation Department, and graduated from the University of Central Missouri in 1998, with a bachelor's degree in Park and Recreation Management. Dave says, "I am inspired by the

citizens and social organizations in Raytown, in their capacity to support each other and seek ways to improve their community. I have been working with the citizens of Raytown for 19 years, and the support that this town finds within itself is what drives me to find the paths and methods to direct those efforts into something bigger than the sum of its parts. Raytown has surprised me in a lot of ways and being hired as the Raytown Parks Director has made me think of the responsibilities that I have taken on to serve the community to my fullest extent." Since Turner's employment at the Raytown Parks Department he has led adult and youth sports programs, coordinated staff trainings and schedules, and has worked collaboratively with many social groups, churches, and volunteers to host events in the City of Raytown.

The renovations and roof replacement are proceeding at the Raytown Historical Museum. The projects are taking longer than expected to complete and we are now anticipating reopening the museum on August 6, 2018.

At this time we are trying to arrange for our July 18th Annual Picnic and Quarterly meeting. Details will be available in our newsletter that will arrive in early July.

We appreciate all of the donations toward the roof replacement that have come in from our generous members and friends.

Raytown School District Partners with the KU Edwards Campus to Offer Degree in 3 Program

Contact: Brooke Rohlfig, Assistant Director of Communications and Community Relations
816-268-7043 or brooke.rohlfig@raytownschools.org.

(Raytown, Missouri) The Raytown School District will partner with the University of Kansas - Edwards Campus (KUEC) to offer students in the Herndon Career Center Law Enforcement/Police Science program and the Southland Center for Advanced Professional Studies (Southland CAPS) Technology Solutions program the opportunity to earn their bachelor's degree in three years.

Students earn college credit during their junior and senior year in their Herndon Career Center or Southland CAPS program of study, complete an associate's degree one year after graduating and complete a bachelor's degree at KUEC two years later.

"The Degree in 3 partnership with KUEC provides our students interested in the career fields of criminal justice or technology the opportunity to put their educational endeavors on a fast track," Director of the Herndon Career Center Dr. Cheryl Reichert said. "Our goal as a District is to prepare our students for life after graduation, and this partnership just another way we are able to help our students achieve a future of success."

In addition to accelerating students' entrance into the workforce or graduate school, the program also gives Missouri students an access to KUEC's MetroRate, which is equivalent to in-state tuition and potentially reduces students' cost of earning a degree.

You can learn more about the Degree in 3 program by visiting the Advanced Programs webpage at www.raytownschools.org.

St. Regis Academy Catholic Classical Education

In order to fulfill our responsibility to both the parents and students of the parish and community, our parish school has begun a renovation of our curriculum and philosophy of education. This renewal of the spiritual and intellectual life of the school, under a new name, will allow us to better fulfill our role and responsibility to the minds and hearts we are privileged to care for.

Classical does not mean old or even time tested - refers specifically to the language and philosophy of ancient Greece and Rome. The goal of the ancients was much the same as ours: To see and embrace truth, goodness, and beauty. A classical education is meant to help students learn how to think, rather than merely teaching them "subjects". A classical education is accessible to all students regardless of their background or perceived aptitude. Instructors are free to employ all methods appropriate to the age and ability of their students and experience proves the progression from grammar to logic and then on to rhetoric is well suited to the developing abilities of the elementary-aged student. A young adult formed in the classical model, (a systematic education rising from the factual basis (grammar) through the internal reasoning (logic) to the articulation (rhetoric) of his master of a subject), is prepared to discover the logic of systems, has the mental alacrity to learn a new subject themselves and the verbal mastery to teach it to their peers on the job.

To learn more about the classical model or the upcoming changes at St. Regis Academy please contact Robin Sowders, Principal.
