PRESIDENT'S CORNER

Happy November!

At the October 11 Board of Directors meeting, the Board welcomed new Director, Dr. Ryan Crider. Dr. Crider replaces Steve Johnson, Class of 2020. Steve was transferred to the Blue River Campus. The Chamber appreciates the time Steve spent on the Board and his guidance while he served. As a resident of Raytown, Steve will stay involved.

Dr. Crider currently serves as Dean of Instruction at Metropolitan Community College Longview. He is married and has two children.

We need your help. The Chamber is currently looking for nominations for our annual awards for 2018. Click on the link to get the requirements and send me your nominations. I will send them an application to fill out. Nominations are due by Friday, November 15, 2018.

[CLICK HERE FOR 2018 AWARDS CRITERIA](#)

Also at the October 11 Board of Directors meeting the Board approved for staff to continue with the Senior Celebration event and Holiday Shopping Frenzy. Be watching for a full list of 2019 dates for networking events, luncheons and community events in the December newsletter. Sponsorships are available for each of them and if you are interested give me a call and I will put you down.

Also, the Committee Signup sheet will soon be sent out for 2019. When you receive the email, take a moment to look over the list of committees/task force groups and sign up for one. This is another way to become more involved.

Thank you to Melissa and Megan from Longview Funeral Home and Cemetery for the canister of Topsy's popcorn and celebration of National Chamber of Commerce day on Wednesday, October 17.

Remember my office is always open!

Vicki Turnbow, President

The office will be closed
November 22 & 23, 2018.
Have a great Thanksgiving
holiday!

RAYTOWN AREA CHAMBER OF COMMERCE

RESOLUTION IN SUPPORT OF PROPOSITION D
TO FUND MISSOURI'S TRANSPORTATION SYSTEM

WHEREAS, Missouri's transportation infrastructure is a grave concern for the state's business community and for every individual who relies on the safety of our roads and bridges; and

WHEREAS, Missouri's poor transportation conditions are hurting our economy and threatening public safety; and

WHEREAS, the Missouri Chamber of Commerce and Industry's Missouri 2030 Gallup survey revealed that only 37 percent of Missouri's business leaders are satisfied with the state's transportation infrastructure; and

WHEREAS, our transportation system becomes more expensive to fix and more dangerous each year we continue to do nothing; and

WHEREAS, the Missouri Department of Transportation has the nation's seventh-largest highway network to support with funding that ranks 46th in the nation in revenue per mile; and

WHEREAS, Missouri's current 17-cent per gallon fuel tax is one of the lowest in the nation and has not been raised since 1996; and

WHEREAS, over those years the purchasing power of the fuel tax has effectively dropped to 8 cents per gallon due to inflation and vehicles' increased fuel efficiency, the cost of construction materials such as asphalt, concrete and steel have doubled, and labor costs have risen considerably; and

WHEREAS, to address the state's transportation funding shortfall the Missouri General Assembly passed House Bill 1460, which includes Proposition D implementing a 2.5-cent per gallon fuel tax increase each year for the next four years to go toward public safety as well as road and bridge construction; and

WHEREAS, if passed by Missouri voters, Proposition D is estimated to generate \$288 million annually for the State Road Fund and \$122 million annually for local transportation projects;

THEREFORE, BE IT RESOLVED, Raytown Area Chamber of Commerce fully supports the fuel tax increase in Proposition D on the November 2018 ballot.

Signed this 13th day of September 2018.

ELECTION DAY IS TUESDAY,
NOVEMBER 6, 2018

A Look at the Last 30 Days

The first annual Holiday Shopping Frenzy was a huge success. Thank you to the Frenzy Sponsors and the vendors who signed up for this event. A big shout out to April Harrington and the Raytown Main Street Association for handling the concession stand. Those walking tacos were yummy! The 50/50 raffle collected \$140 with \$70.00 going to Linda Griffin. She was very excited to receive this money; \$35 was given to REAP and \$35.00 was retained by the Chamber. An additional \$126 was collected through the sale of regular raffle ticket sales. Overall the comments are very positive and many vendors have filled out cards to participate in 2019. An event cannot happen without the support of a great group of Volunteers - thank you ❤️

Mark your calendars for October 26, 2019 for the 2nd Annual Holiday Shopping Frenzy!

Herndon Career Center Instructor Named GKCR ProStart Educator of the Year

Herndon Career Center Culinary Arts Instructor Chef Mike Chrostowski was named ProStart Educator of the Year by the Greater Kansas City Restaurant Association (GKCRA).

The GKCR ProStart Educator of the Year award recognizes an educator each year who demonstrate excellence in the classroom and passion, commitment and creativity in all aspects of the ProStart program to help their students make the most of the opportunities that ProStart offers. "I was honestly shocked, to be in a room with so some many qualified instructors from around the metro and to hear my name was truly a humbling experience," said Chef Chrostowski. "For me, the award is great and is a direct reflection of the students I have had the pleasure of teaching and this award is more for them than it is for me."

Chef Chrostowski received the award at the GKCR annual Gilbert/Robinson Leadership and Awards Dinner on Sept. 30.

Congratulations

Raytown Police Joins Metro Dispatch Center in Implementing Enhanced Call-Location Technology

The Raytown Police Communications Unit has joined public safety dispatch centers across the Kansas City Metro area in implementing RapidSOS, a tool that pinpoints the location of a 9-1-1 wireless caller. RapidSOS enhances current call-location technology by using nearby Wi-Fi networks and data sources to more accurately locate the caller's device. The device's most precise location is displayed on mapping software in the Communications Unit. Before RapidSOS was implemented, call centers struggled with locating wireless callers, often limited to the area around a nearby cell tower.

The RapidSOS technology is already integrated into Apple iPhones that use a minimum of iOS 12 operating system and Google is making the technology active on Android devices. The RapidSOS capability is also available by using the emergency call function on the Uber app, on either Apple or Android phones. RapidSOS location technology is offered to public safety agencies at no charge.

Even with the improved technology, Raytown Police urge all callers to always give their exact location at the beginning of each phone call. Calls may drop or disconnect, and providing the caller's location is critical, even if the nature of the incident is unknown.

WREATHS across AMERICA

Saturday, December 15, 2018

The courage and sacrifice of our military veterans should never be forgotten. You have a chance to show them your appreciation and gratitude on Saturday, December 15th, which is National Wreaths Across America Day – when citizens across the country come together to remember our fallen, honor those who serve, and teach younger generations the value of freedom. Join us at Longview Cemetery at 11:00 a.m., as we lay remembrance wreaths on the headstones of our hometown heroes and recognize their service to our nation. This year's theme is "Be Their Witness"! You'll be joining fellow patriots as we say their names and show support for their families. Light refreshments are served after the ceremony and wreath laying.

To donate a wreath: www.wreathsacrossamerica.org and search MOKCLV. For information on volunteering/participating – call (816) 761-6272.
