PRESIDENT'S CORNER

The month of September flew by and boy was it busy. On August 27, the Board of Directors for the Raytown Chamber of Commerce Building Foundation approved an offer for a temporary construction easement, a permanent trail easement and an offer for items that will need to be removed when construction begins on the Rock Island Trail that will run along Raytown Trafficway right in front of the property. The Board also discussed outside improvements to the parking lot, improvements to the downstairs area and eventually to the upstairs where the Chamber currently has their office. We will continue to update the membership on the plans and hopefully we will be able to go live with a capitol campaign to off set some of the improvement costs.

The Raytown Area Chamber of Commerce Board of Directors approved unanimously to support Prop D that will be on the ballot in November, 2018. There is a resolution included in this newsletter on page 3 for you to review.

The Raytown Area Chamber of Commerce Board of Directors approved the recommendation of the Nominating Committee for the Class of 2021 at the September 13, 2018 meeting. The Class is as follows:

Class of 2021

Robert Atkins – Atkins Agency (Farmers) – This will be Robert's first year on the Board.

Kevin Sharp – Sutherlands – Kevin filled an unexpired term in 2018 so this will be Kevin's first full term on the Board.

Chiki Thompson – Raytown Water – This will be Chiki's last term on the Board.

Brian Wagler – ServPro Raytown/East Kansas City – Brian first became a Board member in March of 2017. This will be Brian's first full term.

Those members attending the October 24, 2018 Membership Luncheon will vote on the Class.

The Nominating Committee presented the 2019 Officers and by an email vote – voted to accept their recommendation.

Chiki Thompson, Raytown Water – Chair

Melvin Norrington, KCP&L – Chair Elect

Tamara Wheeler, United Consumers Credit Union – Secretary/Treasurer

Rene Purtee, Arvest Bank – Past Chair

Thank you to those who sponsored this year's Senior Celebration. A good time was had by all!

Remember my office is always open!

Vicki Turnbow, President

RAYTOWN AREA CHAMBER OF COMMERCE

RESOLUTION IN SUPPORT OF PROPOSITION D
TO FUND MISSOURI'S TRANSPORTATION SYSTEM

WHEREAS, Missouri's transportation infrastructure is a grave concern for the state's business community and for every individual who relies on the safety of our roads and bridges; and

WHEREAS, Missouri's poor transportation conditions are hurting our economy and threatening public safety; and

WHEREAS, the Missouri Chamber of Commerce and Industry's Missouri 2030 Gallup survey revealed that only 37 percent of Missouri's business leaders are satisfied with the state's transportation infrastructure; and

WHEREAS, our transportation system becomes more expensive to fix and more dangerous each year we continue to do nothing; and

WHEREAS, the Missouri Department of Transportation has the nation's seventh-largest highway network to support with funding that ranks 46th in the nation in revenue per mile; and

WHEREAS, Missouri's current 17-cent per gallon fuel tax is one of the lowest in the nation and has not been raised since 1996; and

WHEREAS, over those years the purchasing power of the fuel tax has effectively dropped to 8 cents per gallon due to inflation and vehicles' increased fuel efficiency, the cost of construction materials such as asphalt, concrete and steel have doubled, and labor costs have risen considerably; and

WHEREAS, to address the state's transportation funding shortfall the Missouri General Assembly passed House Bill 1460, which includes Proposition D implementing a 2.5-cent per gallon fuel tax increase each year for the next four years to go toward public safety as well as road and bridge construction; and

WHEREAS, if passed by Missouri voters, Proposition D is estimated to generate \$288 million annually for the State Road Fund and \$122 million annually for local transportation projects;

THEREFORE, BE IT RESOLVED, Raytown Area Chamber of Commerce fully supports the fuel tax increase in Proposition D on the November 2018 ballot.

Signed this 13th day of September 2018.

After approval of the Board of Directors of the Raytown Area Chamber of Commerce.

2019 MEMBERSHIP DIRECTORY SIZES/RATES

The diagram illustrates various advertising options for the 2019 Membership Directory. It features a large dark grey background with several white boxes representing different ad sizes and their associated costs. The options include:

- FULL PAGE** (4.5" x 7.5") at \$750.00
- INSIDE FRONT/BACK COVER** at \$850.00
- BACK COVER** at \$1000.00
- HALF PAGE** (4.5" x 3.5") at \$450.00
- QUARTER PAGE - HORIZONTAL** (4.5" x 1.75") at \$300.00
- QUARTER PAGE - VERTICAL** (2.25" x 3.5") at \$300.00

A note at the bottom of the horizontal quarter page box states: **All marketing spaces on the Website will be this size.*

Below the diagram, it is noted that **Design/creation services are available for an additional \$75.**

Happy Anniversary

Raytown-Lee's Summit Community Credit Union celebrated its 60th Anniversary this past April. Originally founded in 1958 as Raytown Teachers Credit Union, RLSCCU started out in the basement of one of its founding members and has now expanded to three branches (Raytown, Lee's Summit and Blue Springs) and serves anyone who lives or works in Jackson County. The celebration was held at the Raytown Branch with food, fun, prizes and many wonderful memories shared.

Rotary Raytown Missouri

Dr. Brian Huff, Raytown Rotary President announced on Tuesday, September 25, the Raytown Rotary Club received the Presidential Citation for the 2017-2018 Rotary Year. Thanks to the leadership provided by Lynn Durbin and the diligence of the club members.

Congratulations, Raytown Rotary!

2017-18 Rotary Citation

Our Members in the News

(Raytown, Missouri) The Raytown School District has been recognized as one of the Healthiest 100 Workplaces in America presented by Springbuk®. The Raytown School District was selected as 24 out of 100 workplaces.

The winning organizations were honored for their commitment to employee health and exceptional wellness programming.

This award recognizes the Raytown School District as one of the best of the best in worksite health nationally. The Healthiest 100 Workplaces in America award culminates the conclusion of the year-long wellness awards program that Healthiest Employers® hosts in over 40 cities across the United States. Each of the winning companies is considered an exemplary leader for the effectiveness of their population health and wellness initiatives.

More than 1,000 of America's top wellness programs were evaluated for this award across the country. Award applicants were evaluated across six key categories: Culture and Leadership Commitment, Foundational Components, Strategic Planning, Marketing and Communications, Programming and Interventions, and lastly, Reporting and Analytics. Applicants were evaluated with the proprietary Healthiest Employers® Index, a 1-100 rubric for wellness programming. These organizations have achieved lasting success through a wide array of employee wellness initiatives and corporate wellness programs.

"We are honored to be considered as one of the Healthiest Employers in the nation," Superintendent Dr. Allan Markley said. "We hope our efforts to improve the quality of life of our staff members through resources provided by the District will result in higher student achievement as well as the retention of high-performing staff members who are healthier and happier."

The Raytown School District provides each employee, their spouse, and dependents under 18 a free membership to the Raytown Schools Wellness Center. Employees can also take advantage of the Raytown Schools Quality Care Clinic open to only employees and their families. The District also provides employees with wellness information and hosts challenges to motivate employees to make healthy decisions on a regular basis. Since the opening of the Wellness Center, the District has returned more than \$1.4 million to the budget and saved employees an estimated \$240,000 in co-pays.

"This year's winners comprise our strongest class of healthy workplaces since we launched the program nine years ago," Co-founder of the Healthiest Employers, Award Program and Springbuk, Rod Reasen. "This year's Healthiest 100 Workplaces include organizations as small as 19 full-time employees and as large as over 150,000 employees. They span nearly every industry, size, geography and include both private and public organizations."

Springbuk is a health intelligence software that empowers everyone in an employer's health ecosystem to glean actionable insights to improve their population's wellbeing and contain claims costs.

Each year, Springbuk administers the Healthiest Employers® Award Program across the United States to honor the nation's most dedicated employers in bettering their worksite health and wellness programs.

The top one hundred workplaces including the Raytown School District were honored at the Fitbit Captivate Conference in Chicago on September 20.
