PRESIDENT'S CORNER

Where has the time gone? On August 14, Raytown students will be back in school, the 90th Anniversary Gala is only 100 days away and the end of the year will be upon us in only 152 days. 2020 will be here before you know it.

The 90th Anniversary Gala Task Force has had a great time planning for this event. Please don't wait until the last minute to make those reservations, we anticipate this event to sell out. Proceeds from the event will help the Chamber buy new office furniture.

Between now and the end of the year, there will be waves of improvements at the office and on the property. Trail construction has started in the north part of Phase 2 and over the next few months you will begin to see clearing and eventually true construction.

Each Committee will begin to review their Strategic Plan for 2019 and get ready to make recommendations to the Board for 2020 which will help Staff begin to work on the budget.

In researching the Chamber through the decades, I found the Chamber ran a campaign to "boost" Raytown in 1927. Spending dollars in Raytown meant you tripled the advantages: Honest Values, Taxes for Public Benefit and Wages for Home Folks. So, once a month a full page ad was ran with a list of businesses and individuals who supported the campaign. The first one was in February 1927 – Your Dollar is Worth the Most to you In Raytown. The same is true today – the more we spend in our community the better off we all are!

Don't forget to go to the Events/Community Calendar to see all the upcoming events. <http://raytownchamber.chambermaster.com/events>.

Business Brigade visits continue and if you are interested in helping, please let me know.

Always remember the Chamber office is a resource for the business community and my door is always open!

Vicki Turnbow, President

AARP®

Real Possibilities

We are very pleased to share that the Raytown Chamber of Commerce Building Foundation, Inc. is one of the 159 awardees of the 2019 AARP Community Challenge Grant program from @AARPLivable [AARP Missouri](#) and [AARP Livable Communities!](#) The awardees of this "quick action" grant program come from every state Washington, D.C., Puerto Rico and the U.S. Virgin Islands.

Through this grant we will be able to provide amenities to enhance, encourage and facilitate Senior Citizens and other residents in the Raytown community in using the Shared Use Path Project (Rock Island Trail) that will come through Raytown, directly in front of the Chamber of Commerce building. This new project seeks to increase potential use of the path through development of attractive, interactive and suitable areas for citizens in the community to rest, engage in bicycle maintenance, hydrate and to procure useful, relevant information about the local community and the Metro area at large. To find out more about the program and the other grantees check out www.aarp.org/CommunityChallenge.

Getting to Know the New Logo

New Shape – the updated shape of the logo pays tribute to the Rock Island Rail

It only seemed right to change a portion of the crossroads to also represent the Rock Island Rail as well as the new Rock Island Trail.

By adding "and tourism" to our name, we hope to capitalize on our position on the trail to be a center of information for any visitors.

KANSAS CITY, MO, JULY 2019 – The newly expanded Tropics Event Pavilion at the Kansas City Zoo will open for rental on August 7, 2019. The outdoor venue behind the Tropics building will set the stage for picnics and private gatherings of all sizes. Featuring a picnic-style menu, the Tropics Event Pavilion will serve a wide range of guests, from a family-style cook-out to traditional Kansas City BBQ and more seasonal chilled offerings such as summer salads featuring the freshest bounty of each season.

“We look forward to unveiling this fantastic venue to the Kansas City area,” said Randy Wisthoff, Kansas City Zoo Executive Director and CEO. “The Kansas City Zoo attracts so many groups from our community, and now we have an ideal space for those looking to host creative events.”

The open-tent venue accommodates up to 2,000 and has seating for 600. It is available from April through October. The spacious family-style layout offers the experience of dining outdoors with the comforts of easy accommodations and tasty menu items. With options to scale the menu and service offerings, the Tropics Event Pavilion accommodates everything from corporate parties to family gatherings.

The Tropics Event Pavilion features a flexible and dynamic menu that focuses on seasonal preparations. Classics like KC barbeque are on the menu, plus fresh salads, a variety of gourmet sandwiches, and elegant entrees including braised short ribs, miso-glazed salmon, and double cut pork chops. Comforting desserts including seasonal fruit cobbler, carrot cake, and tiramisu provide a sweet ending to any meal.

Lawn party to mark 175th birthday of the Rice-Tremonti Home

Free cake and ice cream and music too!

Join the **Friends of the Rice-Tremonti Home** for an **outdoor lawn party on Sept. 15, 2019** to celebrate the 175th birthday of the old farmhouse. North Carolina settler Archibald Rice and his family built the house in 1844, seven years after claiming the property in the mid 1830s.

The Gothic-Revival style farmhouse was typical of many pioneer homes of the day, yet the Rice-Tremonti Home is one of only seven residences in Jackson County that date from before the outbreak of the Civil War in 1861. Since 1988, the Friends of the Rice-Tremonti Home have worked to preserve the house and adjacent "Aunt Sophie's Cabin," home of the enslaved Sophie White both before and after her emancipation.

The public is invited to attend the Friends' birthday party from **1 p.m. to 5 p.m. on Sunday, Sept. 15. Admission is free.** Homemade ice cream, cake and lemonade will be served. A full slate of live Americana music is being planned. Take a tour of the home. Talented crafters will be present to sell their wares.

The Rice-Tremonti Home has experienced the sweep of American history. From its beginnings as a supplier to travelers on the Santa Fe, Oregon and California Trails, to its survival of the Civil War and as witness to the growth of Raytown and Kansas City, the house has experienced the development of the entire region.

"And we are here to tell the tales," said Rice-Tremonti Home Assn. President Jesse Martin. "Please join the Friends of Rice-Tremonti as we mark this happy occasion. This old house helped put Raytown on the map," she said.

The Rice-Tremonti Home is located at 8801 E. 66th St. in Raytown. Visit the Friends of the Rice-Tremonti Home Facebook page for updates. (New website under construction)

The Raytown Chamber will present a certificate at 2:00 p.m. that day.
