PRESIDENT'S CORNER

The 90th Anniversary Gala was wonderful. Thank you to all the volunteers, the sponsors and those who attended. See pages 5-10 for some photos of the evening.

The Chamber office will be closed Friday, December 20 through January 1. If you need anything from the Chamber either call 816-353-8500 and leave a message or email me at president@raytownchamber.com. I will be answering emails and returning phone calls.

You should have received a couple of emails in November with regards to sponsorships available for 2020. The Chamber offers a variety of sponsorships that are not connected to an actual event. If you did not see this email, let me know and I will resend it to you.

There are only a few luncheon sponsorships left for 2020. Those dates are: March 25, May 27, July 22 and November 18. The cost to sponsor one of these luncheons is \$160. Interested, let me know.

The 2020 Directory and Community Profile has been sent off to print and Operation Thank You will begin in January. If you are interested in helping make these deliveries, let me know.

The 2020 Committee sign up sheet was sent out in an email on November 26. Take a moment to look over the Committees/Task Force opportunities and sign up today!

As I start my 14th year as President, I want to take this opportunity to thank all of you for your dedication and involvement with the Raytown Chamber. I am truly blessed by such a great group of business leaders to be a mentor but most of all to call my friend. I hope you have a wonderful Merry Christmas and Happy New Year.

Remember my office is always open!

Vicki Turnbow, President

Kirsten's last day was Wednesday, November 27 with the Chamber. She worked for the Chamber for about 18 months and was a true asset. We will miss her bunches! Thank you to all who stopped by on Wednesday and those who met us for lunch at Lutfi's Fried Fish. The new location on 350 Highway is wonderful if you have not been there yet - go by. While we were there, Gary Graham stopped in—it was great to see him.

Getting to Know the New Logo

New Shape – the updated shape of the logo pays tribute to the Rock Island Rail

It only seemed right to change a portion of the crossroads to also represent the Rock Island Rail as well as the new Rock Island Trail.

By adding “and tourism” to our name, we hope to capitalize on our position on the trail to be a center of information for any visitors.

A big thank you to the Business Brigade for all their hard work this year in delivering items to the businesses in Raytown. The project is taking longer than anticipated and will continue into the first part of 2020. Interested in being a part of a Committee that meets local businesses, sign up today!

Ecologix is pleased to announce a promotion for **Tim “the Light Guy” Truesdale** to Vice President of Business Development & Community Engagement. Truesdale started as Lighting Consultant in 2017 and was promoted to Regional Manager of the company’s Kansas City operations in 2018.

Richard Henderson, President of Ecologix says “Tim the Light Guy has demonstrated great talent in cultivating working relationships throughout the Kansas City area and beyond. This promotion simply recognizes the value he already brings to our company and the communities we work in”. Yolandi Carrick, Vice President for Client Services adds: “It’s so fulfilling to see a fellow team member operate in their obvious strengths. Tim the Light Guy has become a model for our entire company in business development and community engagement”.

Tim the Light Guy is an active member of: Raytown Area Chamber of Commerce & Tourism, Grandview Chamber of Commerce, Independence Chamber of Commerce, Blue Springs Chamber of Commerce, and Nonprofit Connect, a regional consortium serving the 8000 nonprofits in the greater Kansas City area. Tim has also held multiple officer roles in the Raytown Rotary, including Past President. He currently serves as Program Chair.

Ecologix is a premier regional energy efficiency company, with offices in Des Moines, Kansas City, and Omaha. Historically focused on meeting business needs through LED lighting, the residential division has recently been introduced to the Kansas City market, with products such as multi-level insulation, solar powered attic fans, and power conditioners. Ecologix is a privately held company based in Ankeny, Iowa.

With the company’s recent rebranding, there are now 3 ways to get ahold of Tim the Light Guy:

'Tis the Season – For Flu!

Local SERVPRO cleaning specialist shares commonsense precautions to help control spread of the flu virus

Flu season is here, and it's often marked by the offers of free flu shots in neighborhood pharmacies and stores across the country. The cleaning pros at SERVPRO of Raytown/East Kansas City - experts in cleaning and sanitizing building materials, surfaces, and contents after fire, water, or natural disasters—remind Lee's Summit home and business owners how important it is to step-up routine cleaning efforts during this time of year. According to the Centers for Disease Control (CDC), the flu virus can remain viable on surfaces for up to 48 hours. Cleaning surfaces and objects that are frequently touched minimizes the likelihood of contacting the flu virus when you touch an infected surface.

According to the CDC, nearly 15% of the U.S. population suffered from the flu in 2018. More than 950,000 people were hospitalized and almost 80,000 people died from flu complications, making 2018 the most severe flu season since 2009.¹

“As an emergency response company, we understand the hidden danger of contaminated surfaces in a workplace or home,” said Chad Kimbley, owner, SERVPRO of Raytown/East Kansas City. “This time of year, the flu virus can be a ‘hidden danger’ at home, at work, and in the community. It is a serious illness, and we want our Lee's Summit friends and neighbors to take it seriously.”

The CDC recommends the following to help protect yourself or your loved ones from contracting the flu.

1. Get vaccinated. The CDC recommends a yearly flu vaccination as the first and most important protection against this serious virus.
2. Thoroughly wash your hands (20 seconds or more with soap and water) or sanitize them frequently throughout the day, even if you are not infected, to help protect yourself and others.
3. Beware of frequently touched surfaces, like handrails and doorknobs. Keep them clean at home using a bleach and water solution and clean your hands as soon as possible if you must touch them in public.

If you or a family member comes down with the flu despite these precautions, keep in mind the flu spreads primarily through droplets from a sick person when they cough, sneeze, or talk. With that in mind, the CDC offers the following guidelines to help control the spread of the disease:

1. Stay home and keep your distance. Infected droplets from a sick person's nose or mouth can travel up to six feet and land in the noses and mouths of people nearby, exposing them to the illness.
2. Wait until you are fever free – without medications – for at least 24 hours before returning to school, work, or normal activities.
3. Cover your nose and mouth with a tissue, your sleeve, or your elbow when you cough or sneeze. Dispose of the tissue and clean your hands with soap or a sanitizer with 60 percent alcohol.

There is no such thing as a foolproof flu protection plan, says Kimbley, but frequent hand-washing and conscientious cleaning practices at home, work, and in the community are precautions everyone can practice to help keep them and their loved ones healthy. For more flu statistics and tips on how to help prevent the spread of the flu virus, please visit <https://www.cdc.gov/flu>.

SERVPRO of Raytown/East Kansas City specializes in disaster restoration, residential, and commercial deep cleaning, and repair services, helping to remediate damage, making it “Like it never even happened.” For more information on SERVPRO of Raytown/East Kansas City, please contact Chad Kimbley at (816) 737-8776 or servpro9562@sbcglobal.net.

HOST A NETWORKING EVENT AT YOUR BUSINESS!

The Raytown Chamber is looking for businesses to host networking events in 2020. The A.M. Connections Networking events are scheduled for the third Tuesday of each month and by hosting, you agree to provide the coffee from 7:30 to 8:30 a.m. The sponsorship for each event is \$50.00. Listed below are the dates available.

For those who prefer an evening event, the After Hours Networking events are scheduled for the first Thursday of the month from 4:30 to 5:30 p.m. (unless a different day would work better for your business). By hosting an After Hours you agree to provide beverages/refreshments of your choice. The sponsorship for each event is \$50.00.

By hosting a networking event you will receive an advertisement in the monthly newsletter, a posting for 30 days in the weekly Chamber e-mail, a listing on the event calendar on the Chamber's website, and invitations to hand out to your customers or neighboring businesses. Morning Coffees and After Hours are offered on a first come first served basis. Please contact the Chamber office if you would like to sponsor an A.M. Connections or After Hours.
