EDWARD JONES—BRIAN ROSS ANNOUNCES NEW LOCATION

A new Edward Jones financial services office has been added to the Raytown area. The office is located at 11705 E. 350 Hwy Ste. E Raytown, MO 64138. A little bit about Brian Ross, Financial Advisor and Maria Finzoll, Branch Office Administrator:

As an Edward Jones financial advising team, we believe it's important to invest our time to understand what you're working toward before you invest your money. It's also important to understand the level of risk you're comfortable accepting when investing so we can balance it with the steps necessary to reach your long-term goals. Whether you're planning for retirement, saving for college for children or grandchildren, or just trying to protect the financial future of the ones you care for the most, we can work together to develop specific strategies to help you achieve your goals. We also monitor your progress to help make sure you stay on track or determine if any adjustments need to be made.

We're local and would be happy to help. Please feel free to call or stop by.

SPECIAL REQUEST FROM PROJECT LEAD THE WAY

My name is Josh Reichert, I teach Project Lead the Way classes, sponsor Student Council at Raytown High School and also teach a Leadership Class called Jay Crew. This class was started in the 2014-2015 school year. The purpose of the class has evolved over the past 6 years, but the main goal remains. This class is designed to help leaders hone their communication skills, learn what it means to lead, problem solve, work with a team, learn what it means to be a citizen of a community and get involved, and most importantly learn about themselves and how special each of them are individually. Students apply to be in this class. Any student can apply as long as they have a minimum GPA of 2.5, no Ds or Fs, and no discipline issues. They fill out an application and interview with the Student Council Executive Board.

In fall 2015, Jay Crew and Student Council joined a national program and competition called Lead2Feed, which is now called Lead4Change. The past four years, we have won over \$21,000 for the Raytown Emergency Assistance Program and collected well over 100,000 items, finishing in the 2nd tier twice, and honorable mention the past two years. If you would like to learn more, you can go to the website, www.lead4change.org. This was created by 1970 Raytown High School graduate David Novak. Part of the competition is helping a non-profit organization. We picked to help REAP, because of what they do for the Raytown C-2 School District families, as well as the community of Raytown.

The past four years, Jay Crew has led Student Council and the school district to help REAP with a week called "the Hunger Games". During the week, we collect items throughout the school district. Last year, we collected 18,000 items and raised around \$500. That Saturday, we stood outside three store locations in the area and collected 7,000 more items and over \$1,000 in monetary donations. We are expanding and trying to get the community even more involved this year with a chili dinner and silent auction, being hosted at Raytown South High School in conjunction with the Raytown vs. Raytown South basketball game on February 8th. Information about the event is as follows. Sponsorships are available and if interested please contact me.
