PRESIDENT'S CORNER

BUILDING RENOVATION UPDATE

Dear Raytown Chamber Members, Past Donors and Potential New Donors:

Phase 1 of the Building Renovations is almost complete. With a dedication planned sometime this summer, we need to start working to raise funds for Phase 2.

Phase 2 will be for the construction of the ADA compliant handicapped ramp, to be installed on the east side of the building, attached to a new easily accessible entrance. The current ramp located on the south side of the building will be removed.

A large outstanding phase of the project is the **Building Accessibility Project**, which will bring the building up to ADA compliance, inside and outside. This portion of the project has a price tag of approximately \$60,000. We received a grant through the Christopher & Dana Reeve Foundation and are excited about receiving this grant to cover the non-construction related items associated with the project. ***The Building Foundation needs to raise the remaining \$40,000 of this project and you can help!***

We hope even if you have donated in the past, you will consider donating again. All donations are tax-deductible because the Raytown Chamber of Commerce Building Foundation is a 501c3.

Are you interested in making a tax-deductible donation or donating a product or service? Contact Vicki Turnbow, President at 816-353-8500 or email her at president@raytownchamber.com.

We truly believe the community will be very pleased with the building renovations once complete. Total still to be raised including this project is just at \$150,000. Thank you again for all the support during the building renovations.

We are able to accept cash, credit card and check. We have even had donations made in the memory of some great people who were involved in the Chamber for years that are no longer with us. What a great way to preserve their memory!

BE KIND, BE PATIENT, BE RAYTOWN!

Remember to call or stop by if there is anything I can help you with.

Vicki Turnbow, President

Chamber office will be closed Friday, 06/28/2021 through 07/05/2021

Building Capital Campaign Update & Rock Island Trail Photos

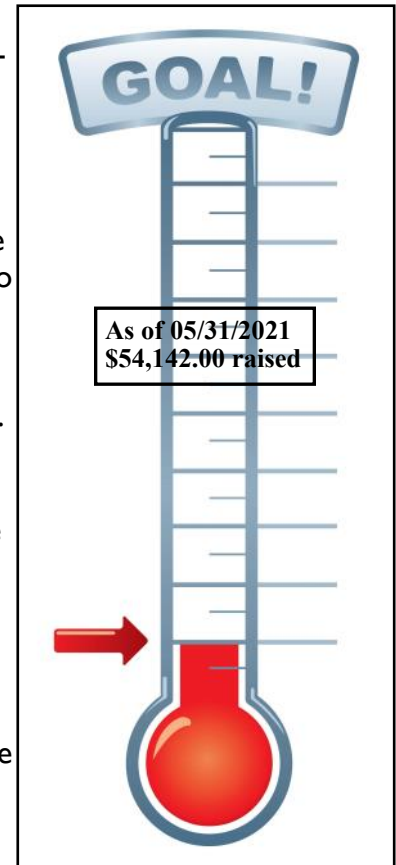

See page 2 of this newsletter with an update on Phase 2 of the Building Remodel. The Building Accessibility Project will allow those who are disabled access into the second floor. Work to allow for handicapped accessibility has already started on the main floor restroom and work will begin later this summer on the restroom on the second floor.

The construction side of this project will cost approximately \$40,000 and this is the amount we will work to raise at this time. Ultimately, to finish the entire remodel we are looking at raising a total of \$150,000. We continue to apply for grants, so if you know of a construction grant, let Vicki know.

If you need a donation/pledge form or have questions, contact Vicki Turnbow at 816-353-8500 or email her at president@raytownchamber.com.

Also, another way to support the Building Foundation is you buy through Amazon, log into Amazon Smile and select Raytown Chamber of Commerce Building Foundation.

As you probably are aware, with all the rain we had in May, the grand opening of the Rock Island Trail has been pushed back. As soon as we know the official date, we will be working to hold a dedication ceremony here at the Chamber for the "Raytown Chamber Trailhead" and the completion of Phase I of the Building Remodel. We hope to work with the City of Raytown and Crane Brewing to bring you a great celebration that day. Be watching for more details to come.

Carmen Kraus Named A Persevering Advocate for Non-Profit Connect Written & Nominated by Michelle Williams

Help me congratulate Philanthropy award winner, Carmen Kraus for the NP Connect Persevering Advocate for Hope Network Staff, a year ago April, when the world shut down, Hope Network had to rethink how to distribute food to our community. Many staff and a few brave volunteers came along side and helped serve 100 families food bags donated each week.

Overwhelmed due to lack of volunteers, attempting to feed large numbers of people while running the organization as the Executive Director and become my child's school teacher, I was struggling. I don't like to turn down opportunities that are handed to us, but when I received the phone call from Loffredo Foods wanting to park a semi-truck in our lot, I about threw in the towel.

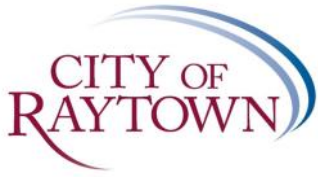

I contacted Carmen in tears asking if she could help be the liaison for this company and the details. Not only did Carmen rise to the task, she took it (as she always seems to do) above and beyond and worked with the community making a good name for Hope Network and Connection Point Church.

Fast forward to a few months ago, I had an opportunity to nominate an "Persevering Advocate" through Nonprofit Connect and I knew this would be a great opportunity to publicly recognize this incredible worker bee, Carmen. She was awarded and humbled by this opportunity and I was thrilled that she was recognized for outstanding work as a persevering advocate for Hope Network and Connection Point church.

Watch the super brief description and interview given to Carmen at today's Non-Profit Connect Philanthropic virtual luncheon and check out her award!

Thank you Carmen, for persevering and advocating for Hope Network and Connection Point! You showed Christ's love, as you continue to do, to all who came in contact with you this past year!
