LETTER FROM THE CHAMBER CHAIR

The Raytown Chamber began serving this community in 1929, much has changed during this period, but one thing hasn't, the chamber's commitment to support our business community and desire to enhance the quality of life for our citizens. Working with the Raytown Chamber has allowed me to expand my network of business associates, meet other leaders of the community, and develop friendships with people I might have never met. As the 2024 Chair of the Raytown Area Chamber of Commerce and Tourism, I want to challenge you to see how you can help inspire others in our community: reach out to your neighbor, go visit that business you've never been in, learn about our community.

Every year the Chamber refers hundreds of callers from businesses, citizens, and visitors to its members and only to its members. Chamber members have numerous networking opportunities available to them: monthly luncheons, morning coffees, ribbon cutting ceremonies, a golf tournament, several community events and after hour functions. Each one of these activities is a chance for you to meet our community leaders, create some business opportunities, solve some problems, or just have a great time.

Change is never easy but it can be rather exciting. I'm sure several of our forefathers that walked down the trail past our current chamber building never envisioned the newly renovated building complete with solar energy lighting while they traveled West. What they did see, was a total team effort from people from all walks of life to meet their goals. We have that opportunity too. Soon people from all over the world will drive, walk, bike or be bused through our community as they come to root for their favorite soccer team. It's time to start our training as we pull for Team Raytown, and as I see it, the Raytown Chamber of Commerce is a great team captain. I feel honored to be a part of this team and I hope you do too.

Sincerely,

Robert Atkins, Chair of the Board

Mission Statement

THE RAYTOWN AREA
CHAMBER OF COMMERCE & TOURISM
SUPPORTS OUR BUSINESS COMMUNITY
TO ENHANCE THE QUALITY OF LIFE
FOR OUR CITIZENS

ABOUT THE CHAMBER

Welcome

Our boundaries include the 32-square-mile area of the Raytown School District, and beyond. We sit in the heart of the Kansas City, Missouri metropolitan area and serve as a crossroads to many destinations. We are, and will continue to be, a community excited about living, playing or working in this great place we call home. The Raytown Chamber is at the heart of many community activities helping to promote the Raytown area.

From March of 2020 through August of 2023, the Raytown Chamber of Commerce Building Foundation raised funds for the building remodel and accessibility project. Over \$370,000 in donated product and services, grants and monetary donations were raised.

RAYTOWNCHAMBER.COM

As the Chamber looks forward to its 100th anniversary, we will continue to be an advocate for the businesses in this community, and our focus is on a successful business future. In today's world, working hard is not enough.

You need to work smart, looking for the best opportunities to increase your visibility, and maximize your chances for success. That's where the Chamber fits into your business and marketing plan – membership in the Chamber is one of the wisest investments you will ever make.

How to Use Your Chamber

The Raytown Chamber works for you. To receive a maximum return on your investment, we encourage you to GET INVOLVED in your Chamber.

Each time you attend a Chamber program you have an opportunity to expand your network and potential customer base. Programs are designed to provide you with the knowledge you need for your business to succeed. Involve yourself in one of the numerous Chamber committees or events to promote your business through networking, marketing, and exhibiting, and increase your knowledge through informative educational seminars.

ABOUT THE CHAMBER

Chamber Events (just to name a few)

The Raytown Chamber provides a number of opportunities for members to network, market their business, socialize and learn.

ANNUAL CHAMBER CELEBRATION

The Chamber's annual awards are given out at this event and include Business of the Year, Small Business of the Year, Chamber Person of the Year, Non-Profit of the Year and Rising Star. This year, the annual Chamber Celebration will be held on **01/25/2024..**

RAYTOWN NIGHT AT THE KC COMETS

We are excited to have our first community night at the KC Comets. Games are played at Cable Dahmer Arena and the team plays 12 home games November through March.

Game date is 02/10/2024.

RAYTOWN NIGHT/DAY AT THE ROYALS

The Raytown Chamber hopes to continue their annual tradition with a community night for over 30 years. The Raytown community, Chamber members, employees and their families come out to enjoy America's pastime and to support the boys in blue. Raytown sits in the backyard of the ball parks and we feel the excitement during the baseball season. **Game date is 06/29/2024.**

GOLF TOURNAMENT

The Chamber is proud to sponsor a golf tournament each year. Members and their guests enjoy a day of fun, prizes, team competition, food and networking. The Raytown Chamber partners with the Raytown Rotary Club to combine efforts to provide a quality event to its participants.

Tournament date is 05/13/2024.

LEGISLATIVE IMPACT

The Government Relations Committee meets monthly to allow for Chamber members and guests to be kept up to date on the legislative affairs that effect our community. **Chamber Day at the Capitol is set for 02/27/2024.**

NATIONAL TRAILS DAY

With Raytown being situated on the Rock Island Trail and the Three Trails - come celebrate with us the first Saturday in June. **Watch for updated details on the Chamber's community calendar.**

SENIOR CELEBRATION

Mark your calendars for the 11th Annual Senior Celebration. This is a great event celebrating the roots of our community - our seniors. **Date is set for 07/20/2024.**

816 DAY IN RAYTOWN NETWORKING

Details for the 816 Day in Raytown will be included in the Chamber's Community Calendar. **The date is set for Friday, 08/16/2024.**

Visit www.raytownchamber.com and click on events to get updated information on these and other events happening with the Chamber and throughout the community.

ABOUT THE CHAMBER

Community Involvement

The Raytown Chamber works with many organizations throughout the year to help promote various events.

Many organizations have events throughout the year which provides a way for residents to support their communities and meet their neighbors.

A great way to find out when these organizations are offering events is to visit the Chamber's website, www.raytownchamber.com and click on the Community Calendar located on the front page of the website.

TOURISM

We will work to promote the activities to people who travel to our area for leisure, business or other purposes.

www.visitraytown.com

Special Services

AWARD CEREMONIES

Upon request, the Chamber will conduct groundbreaking and/or ribbon-cutting ceremonies for businesses just opening, expanding, or moving to a new location. Chamber membership is required.

BUSINESS REFERRALS

The Chamber office receives requests for business referrals on a daily basis. We refer Chamber members to those individuals who may be new to our area, visiting the area, or current residents looking for information about a particular business.

MONTHLY LUNCHEONS

WHAT'S ON THE MENU?

Monthly membership luncheons are normally scheduled on the fourth Wednesday of the month, and the location is rotated within the Raytown area.

Each month Chamber members and guests attend these luncheons, and are provided a variety of programs and speakers.

What's on the Menu Educational Series are scheduled monthly to promote a member product or service to those who make a reservation.

A.M. CONNECTIONS/AFTER HOURS NETWORKING EVENTS

The **A.M. Connections** are normally held on the third Tuesday of each month from 7:30 to 8:30 a.m. As a Chamber event hosted and sponsored by Chamber members, this time allows for networking and the ability to visit a business.

ABOUT THE CHAMBER

1630 After Hours normally are held the first Thursday of each month from 4:30 to 5:30. This event is a Chamber event hosted and sponsored by Chamber members. What a great way to network and see what the hosting business has to offer. All the dates are listed on the Chamber's website.

MAILING LABELS

We make it easy for your business to mail to companies within our service area. Up-to-date mailing labels are available to meet your specific needs for a nominal fee.

Marketing & Communication

CHAMBER WEBSITE

Each active member is listed on the Chamber website at raytownchamber.com. There are online marketing opportunities available. And the websites of members are linked for easy access. Links to schools, government sites, and other informational sites are provided as well. You can follow the Chamber on Facebook, Twitter, YouTube and Instagram!

CITY MAP

A small street map is located on pages 52 and 53. Raytown is approximately 10 square miles with a population of a little over 30,000.

MEMBERSHIP DIRECTORY & COMMUNITY PROFILE

Chamber members are listed three times – alphabetically, by business category, and by representative name.

The Chamber encourages members to turn to the directory first when looking for a particular product or service. This publication has an annual circulation of over 1,000 copies, and marketing space is available exclusively to members.

MONTHLY NEWSLETTER

Each month our newsletter, Chamber Connections, is published and emailed to each member company and their member representatives. Business news and success are highlighted in this monthly publication, and low-cost marketing opportunities are available. This newsletter can also be accessed online through the Chamber's website. If you would be interested in being on our Courtesy Email list, contact the Chamber today. A great way to "be in the know".

CHAMBER "C MAIL" & COMMUNITY UPDATES

Weekly emails are transmitted to members, providing updated information and details on Chamber events and member's events, helping to keep the lines of communication open.

EMAIL BLASTS

Marketing of products or services by a Chamber member through member paid advertisements.

PODCASTS (TALK RAYTOWN)

New for 2024 - Updated information will be posted on the Chamber's website.

ABOUT THE CHAMBER

ABOUT THE CHAMBER

A WELCOME MESSAGE FROM THE MAYOR

Dear Friends,

As the Mayor of this wonderful town and a longtime resident, it is my immense pleasure and privilege to welcome you to the City of Raytown, Missouri. On behalf of the Board of Alderman, City Staff and approximately 30,000 residents, we invite you to learn about our city and all it has to offer you and your business. Raytown is a wonderful place to do business. The businesspeople and residents are very involved in the community, and there are many ways to get involved, such as joining the Raytown Chamber of Commerce.

Raytown is a wonderful place to live, work, and play. It is a caring community with a rich history and many amenities. The city is home to three locations on the National Historic Places registry and is minutes from the Truman Sports Complex. Raytown also has some of the most beautiful parks in the metro area, with tennis courts, pickle ball, fishing, hiking, basketball courts, and much more.

Raytown is a business-friendly community. It is easy to access from major highways and has a strong Chamber of Commerce. Raytown is a community that values involvement. There are many ways to get involved, as I mentioned before, joining the Chamber of Commerce, also the Raytown Main Street Association, the Raytown Rotary Club, the Raytown Arts Council, or the Raytown Historical Society. The city also hosts a variety of events throughout the year, including a monthly family friendly concert series known as Raytown Live, held the second Saturday of every month, 7-9 PM on the Green Space in our downtown. We also boast the Rock Island Corridor trail that transverses our city. A great walk or bike ride through some beautiful parts of our town and the metro area.

I invite you to learn more about Raytown on the city's website, www.raytown.mo.us and follow the Chamber of Commerce and Tourism events page on their website <https://raytownchamber.com/> or Facebook page, <https://www.facebook.com/RaytownChamber/> to keep up to date on all the latest events.

I encourage you to be a part of the community and work together with us, to build and improve this city along with our businesses and citizens. We are a crossroads community, embracing diversity and growing together.

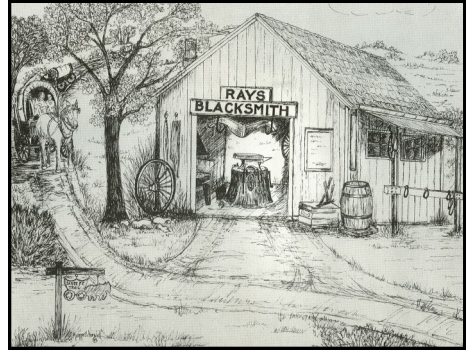

Sincerely,

Mayor Mike McDonough

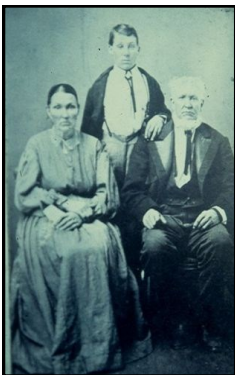

RAYTOWN'S HISTORY

Raytown began as a Santa Fe Trail stop just eight miles south of Independence, and is probably the second oldest town in Jackson County. Prior to the 1820's when Pioneers began to settle in the area, it was a part of the land possessed by the Osage Indians. After the Indians left this area, Jackson County was organized in December of 1826. The county was named after Andrew Jackson, who later became the seventh President of the United States. General Jackson had become nationally famous as a hero in the War of 1812; he symbolized American strength.

The opening of the Santa Fe Trail increased the number of people coming into the area, as this was the final "jumping off" point for settlers and adventurers heading west. Cattle, oxen, fruits and vegetables were purchased from the farmers already in the area. Soon blacksmiths, wagon makers and iron workers were coming from the east to add their much needed skills to the growing number of wagon trains. As more and more travelers pushed westward along the Santa Fe and Oregon trails, pioneers, predominately from Kentucky and Virginia, began to settle in numbers. They discovered an area of high wooded ridges that reminded them of the shrouded Blue Ridge Mountains of their former homes. They named the land Blue Ridge, and the adjoining streams, the Big Blue and Little Blue Rivers.

Several tradesmen set up businesses along the trail. William Ray, born in Butler County,

Ohio in 1808, was a blacksmith who moved to Jackson County around 1848 and established his shop right on the Santa Fe Trail. Ray's blacksmith shop was located at a crossroads, where the Santa Fe Trail was crossed by other important trails, and became known as a

center of trails, a meeting place, and a starting and leaving point. Ray's shop became a landmark for this area. He had a thriving business repairing wagons before settlers headed out onto the trails. Raytown was known as the "Lost Township" for about 20 years. When Jackson County had been surveyed in 1826, a surveyor had said this land with tough prairie grass and no trees was "no good" and not worth measuring. However, the farmers disagreed with him.

By 1850, William Ray's blacksmith shop was well established on what is now the intersection of 63rd & Raytown Road. He purchased the seven acres of land for \$72.16. At this time, the citizens of the area began clamoring for more and better roads to Kansas City and Independence where the major markets for their goods existed. In 1860, commissioners were appointed and consequently laid out and approved what is now Raytown Road. William Ray's shop, therefore, became a geographic landmark and is mentioned twenty-seven times in the next fourteen months of county court proceedings. William Ray himself appears to have been something of a landmark also, for by 1854, his neighbors were referring to the town as "Ray's Town," and eventually, "Raytown." Henry Ray describes his grandfather as a "quiet person with dark hair and blue eyes, stocky build, and a little over medium height." William Ray and his family moved to Oregon in 1853 to be with his married children.

RAYTOWN'S HISTORY

He died on August 18, 1874. A marker today stands on the site of his blacksmith shop in his memory.

In March of 1872, two villages – Raytown and Little Blue, were organized into Brooking Township. Brooking Township was named in memory of a Jackson County court judge, Honorable Alvan Brooking (1796-1857). He had purchased 800 acres of land in 1839 for \$500. (This area is approximately between 47th and 59th streets from Raytown Rd. to Blue Ridge Boulevard.) The land eventually was donated and helped form the Round Grove School and the West Fork Baptist Church. JJ Robinson, a Raytown preacher and one of Jackson County's most respected citizens at the time, wrote the following: "This is the name of a new township formed out of territory heretofore included in Blue and Washington townships. It is the center of Jackson County and embraces a large portion of the county's finest land. It is a good farming country, having good land, good water and good timber, three qualities not often found near each other." Records show that Raytown had one store and saddlers' shop, one blacksmith shop, a doctor's office, a post office, a schoolhouse, one meeting house, and a Masonic hall at the time.

Farmers in the area sold corn and pork and other supplies to the travelers, and many offered their land as a resting stop. One of the favorite campsites belonged to Archibald Rice and his wife, Sally, who also had volunteered comfort and care for the ill during the cholera plague. The Rice farm house and a slave cabin were among the few buildings left standing during Quantrill's Civil War raids, and are preserved to this day in the City of Raytown. Another favorite camping spot was the Jesse Barnes farm, also known as Cave Spring (see pg. 30).

Jackson County land was eagerly sought and large plantations were developed along the trails. During the Civil War period, "Order No. 11" caused civilians to leave their homes and abandon their farms, bringing civilization to a standstill for six years. Following the war many years of recovery were needed to heal the wounds of the land and the people.

From 1877 to the 1920-30's, the principal occupations were grain farming, cattle raising, and dairying. Raytown was still a community of farmers and businesses in 1900. The farmers' main crops were corn, oats, hay, tobacco, and hemp. Then the large farms became small truck farms with roadside produce stands, and subdivisions became popular for the Kansas City employed. Many businesses were on Raytown Road at this time: S.G. Robinson General Store (6252 Raytown Road), J.J. Robinson Blacksmith Shop (6224 Raytown Road), William Jennings Building, a general store (6211 Raytown Road), and William Hall Grist Mill, later known as Raytown Feed and Fuel. The town also had a doctor's office here. Frank Nile built a stable on 25 acres of land near 63rd and Laurel to house seven horses and a half-mile race track. Two churches were in the center of Raytown, the Raytown Christian Church and the Second Baptist Church. One exciting thing in Raytown in 1900 was the establishment of a rural mail route.

RAYTOWN'S HISTORY

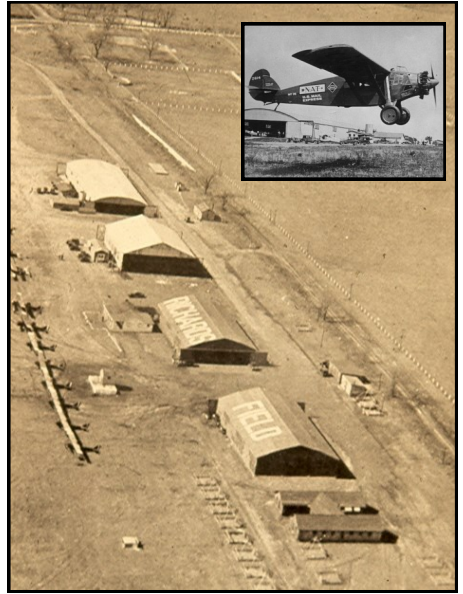

Before 1871, area farmers shopping in Independence brought letters back with them. This mail was then deposited in a box fastened to a pole near William Ray's Blacksmith shop. In 1871, United States mail delivery became official in Raytown. Reverend J.J. Robinson became the first postmaster, and space was provided for a post office in his general store.

Raytown did not grow much until the railroad was constructed in 1903. Trains were considered safer and had the advantage of moving far more quickly than wagons. The Rock Island Railroad Depot was moved from 72nd and Woodson to just east of the old wooden bridge at 64th and Railroad Street in 1913. After many unsuccessful attempts to make it a historical landmark, the building was torn down in the late 1980's.

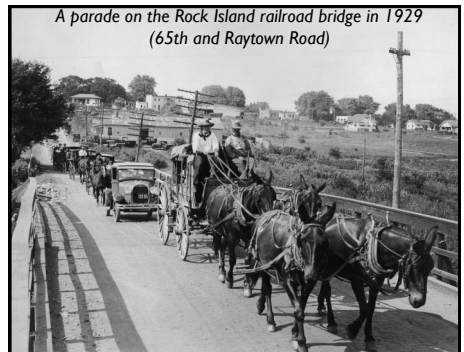

Air travel began in Raytown on a 1500 foot runway in 1922. It was near the southeast corner of Gregory Blvd. and Blue Ridge Blvd. on 156 acres of land just east of Cave Spring. The US Army took over the airport immediately after its construction. They called it Richard's Flying Field in honor of Lt. John F. Richards II, the first Kansas City officer to die while in the Army flying service. An average of thirty planes a month landed in Raytown from 1922-1924. By 1925, several hundred planes stopped there each month.

A 1926 Chamber of Commerce bulletin claimed that "airplanes from every section of the United States come to Richards Field to refuel before continental flights...it is used as

an airplane training school for civilians and Army flyers."

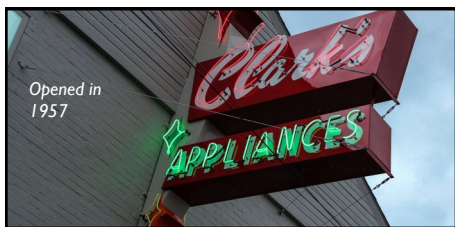

The airmail contract was given to them in 1926, but was transferred to the KC Municipal Airport when it opened in 1927. Commercial Airways later leased the airport as a training center. Charles Lindbergh received some of his early training at Richards Field. In 1949, they renamed the field Ong Airport after its owner, William Ong. After the airport was used for instruction of Army, Navy, and Marine Corps pilots during

RAYTOWN'S HISTORY

World War II, the planes were used to dust crops. This ended in 1952 when the airfield was subdivided into more than 405 lots for homes, now known as the "Gregory Heights" subdivision.

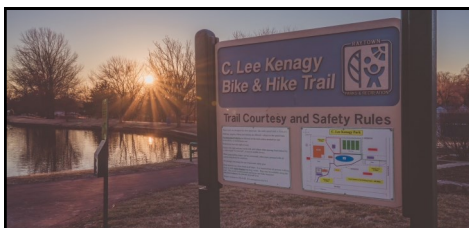

Raytown had 450 citizens, good paved roads, and was a host to many tourists by 1926. Residents found recreation at Wildwood Lakes, Cave Springs, Nile's racetrack, and Sunday afternoon pleasure watching airport stunt shows at Richard's Flying Field. Airmail planes stopped for service at the airport, and with the increased demand for new housing, schools, and churches - Raytown was growing.

By the late 1940's, people had been calling this area Raytown for almost a hundred years. But no steps had been taken to legally make it a city. Kansas City was beginning to add more territory by annexing surrounding towns which could be accomplished with a majority vote from KC residents. Raytown residents would have no voice in the matter. Citizens living in Raytown took much pride in their community and started signing petitions to remain a distinct place separate from Kansas City.

After a public hearing was held, Raytown was incorporated as a city on July 17, 1950; the citizens wished to escape the annexation to Kansas City and to have a small self-governed town. The area covered two square miles and consisted of 1,000 people. Homeowners in areas around the new city petitioned to be included.

By 1961, Raytown covered more than ten square miles and had approximately 3,000 residents.

Raytown had nowhere to conduct the city's business after incorporation and many peoples homes and basements were used for city business. In 1975 the new Raytown City Hall was built at 10000 East 59th Street. By that time, approximately 33,000 people called Raytown their home.

Our community has changed from what it was in the past—from southern farmers to commuters; from plantations to housing developments; from large young families to senior citizens, and all these have had a special place in our history.

ABOUT THE RAYTOWN COMMUNITY

THE RAYTOWN HISTORICAL SOCIETY AND MUSEUM

9705 East 63rd Street, Raytown 64133
816-353-5033

raytownhistoricalsociety.org

Dedicated to leaving a legacy to those that follow!

The Raytown Historical Society was founded in 1966 by community minded citizens who were concerned that the history of Raytown was not being formally

documented and preserved.

The researching, writing, gathering of photographs and the collecting of artifacts began with members of benevolent families coming forth to share their knowledge, genealogy and family mementoes. For the next 44 years, this project continued, in earnest. In 1982, Raytown's first fire station was acquired to house all that had been collected. The first charter members of the society numbered 50 and has since grown to 282, at the present time. All of our events are open to the public.

The Historical Society serves the community in a number of ways: Selecting important sites where historical markers are placed to inform and educate our community as to the key locations of our history; holding group discussions and programs to further the knowledge of the past as well as the present; maintaining a depository for all pertinent records concerning Raytown and its people.

Historic tours, excellent rotating displays,

dinner programs, hosting alumni groups, conducting special tours for students and various organizations are all part of the life at the Raytown Historical Museum. Whether you seek a step back in time or subjects of the current day, it can be found at your museum.

The Santa Fe, Oregon & California National Historic Trails across Raytown are now officially marked with new installed National Park Service signs. You can now follow the original route from 51st & Blue Ridge Blvd to the south Raytown City limits at 83rd & Blue Ridge Blvd. These signs were provided from a grant to the Santa Fe Trail Association by the

National Park Service. The local Chapter, the Missouri River Outfitters, worked with the Raytown City officials to get them installed. In addition to the local tour route signs a Historic Site sign has been installed at the Archibald Rice Home at 66th & Blue Ridge. The signs thru Raytown are part of a program that will eventually have signs from Franklin, MO to Santa Fe, NM.

In 2015, several new additions were made to the National Historic Trails. The Raytown Historical Society Museum was made a certified interpretive center on the trails and the Rice-Tremonti Home became a historic site, a total of 3 sites in Raytown that are nationally certified by the National Park Service. The National Historic Trails continue to be an integral asset to the Raytown community and will continue to provide future economic advantages for Raytown and its citizens.

ABOUT THE RAYTOWN COMMUNITY

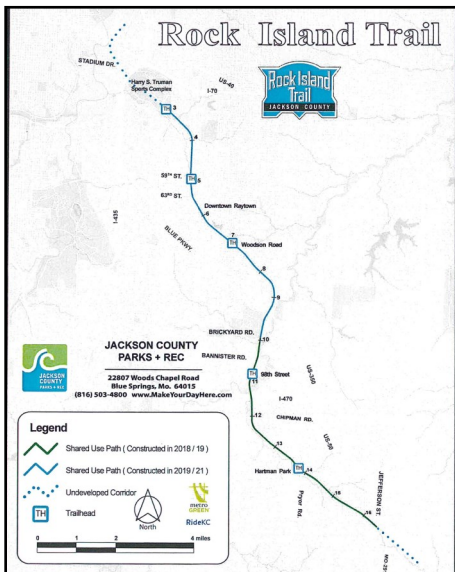

The **Rock Island Trail** is a 13.5 mile pedestrian and bicycle path spanning central Jackson County, owned and operated by Jackson County Parks + Rec. The northern-

most point of the trail starts at the Truman Sports Complex, near parking lot L. From there, the trail runs southeast through Kansas City, Raytown and into Lee's Summit. The trail currently ends near the intersection of Jefferson and Scherer roads in southern Lee's Summit.

The trail is built on a former freight railroad corridor originally built in the early 1900's by the Chicago, Rock Island and Pacific Railroad Company. Jackson County purchased the railroad corridor in 2016 in partnership with the Kansas City Area Transportation Authority (KCATA) with the intention to construct a trail, while preserving the corridor for future transit needs. Jackson County is responsible for the trail, while the KCATA is responsible for all transit related improvements on the corridor.

Planning is underway to connect the Rock Island Trail to Greenwood and Pleasant Hill, MO, which would provide connectivity to the Katy Trail. Jackson County is also working with regional

partners to connect the Rock Island to the MetroGreen System, including the Little Blue Trace Trail, the Blue River Trail, and the Brush Creek Trail.

For more information, please visit www.MakeYourDayHere.com.

For any non-emergency safety or enforcement issues on the trail, please contact the Jackson County Park Ranger Division at 816-503-4890.

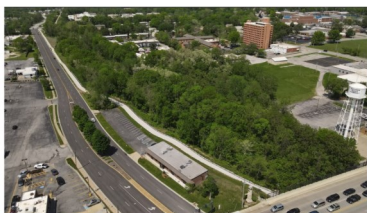

TRAIL ETIQUETTE

WHEN USING THE TRAIL:

- Be courteous and share the trail
- No motorized vehicles or horses allowed on trail
- Please do not ride bicycles on trail in wet conditions
- Walkers, keep to the right
- Pass on the left, and give a warning signal when approaching
- Use caution on uneven surfaces
- Domestic animals must be on leash and waste removed

nearly 30,000 residents,
Raytown is proud to
support local businesses
and the Chamber since
1950!**

ABOUT THE RAYTOWN COMMUNITY

The City of Raytown

Welcome to Raytown! Grounded in our hometown values and Midwestern roots, we are in the heart of the Kansas City Metro area. We are a crossroads community, embracing diversity, working together to ensure a high quality of life for our residents, businesses and visitors. With a healthy patchwork of history, business opportunities, neighborhoods, education, and culture - great things are happening in Raytown.

Our community strengths include **accessibility, affordability and community values**. Raytown is strategically located 12 minutes from downtown Kansas City, Missouri and only eight minutes from the Country Club Plaza. Easy access to Interstates 70 and 435 provides quick and easy travel to the entire metropolitan region.

Our City operates as a Board of Aldermen/Mayor form of government. Raytown is designated by the state of Missouri as a fourth-class City. The City is divided into five wards, with two Aldermen elected from each ward of the City. The Mayor and Aldermen serve staggered four-year terms. The Mayor and Board of Aldermen appoint a City Administrator. Together with City departments, community partners, residents and businesses, we work to make living in Raytown the best it can be. Our ordinances are available on the City's website, **raytown.mo.us**.

Board of Aldermen meetings are held the first and third Tuesdays of each month, 7 p.m. at City Hall. Meetings are streamed live on our website, **raytown.mo.us** and on our Comcast and Google government channels.

Raytown provides a full range of commercial options and some of the most competitive commercial rental rates in the KC Metro area. Opportunities exist for businesses to locate in a "downtown" environment or in a highway commercial corridor where 63,000 cars commute daily.

The City of Raytown provides many public services to the residents and businesses in Raytown. These services are provided by the Public Works Department, Police Department, Community Development Department, Economic Development

Department, Finance Department, Parks & Recreation Department, Municipal Courts and City Hall Administration. These services are paid for by various traditional revenue sources such as property tax, sales tax, franchise fees and user fees. Additional revenue sources include federal, state, and regional grants whenever possible.

Our Community Development Department is responsible for the physical upkeep of the City. The activities range from maintaining the long-term plans for the City, issuing business and liquor licenses, to reviewing plans for commercial and residential buildings. Neighborhood revitalization is a key focus for this department. The department is also responsible for Animal Control as well as code violations. Our website and our Facebook page regularly post animals that have been found. We do our best to reconnect pets with their owners and encourage our residents to purchase a 1- or 3-year pet license and microchip. Both methods typically ensure a safe trip home for our furry friends.

Our Public Works Department has put forth an extraordinary effort to maintain the 331 lane miles of streets throughout our community.

ABOUT THE RAYTOWN COMMUNITY

The department is responsible for the City's infrastructure, by operating and maintaining the City's:

- storm sewer system
- sanitary sewer system
- roadway infrastructure
- traffic signal network and snow removal

In November 2022, voters approved a \$7.2 million General Obligation Bond authorizing the City to build, repair, modernize and improve drains, pipes, and other necessary parts of Raytown's storm sewer system.

Stay current on City meetings and activities by following us on Facebook, Twitter, Instagram and Nextdoor using the links shared our Linktree at linktr.ee/cityofraytown. We also produce a semi-annual newsletter that is mailed to residents and contains news and department updates as well as contact information for key legislators and City staff.

City news can also be found on the City's website, raytown.mo.us. To sign up for City e-news, go to the website, raytown.mo.us and click on E-News Mailing list. Residents may also receive real-time alerts and advisories directly from Raytown Police through Nixle by texting their zip code to 888777.

We encourage our businesses to take part in events, civic organizations, and City committees that better our community.

The greatest asset in our City remains the people. Neighborhoods and business associations are an important aspect of life here. People are **engaged, friendly and proud** of their community. The City boasts a full range of civic, social and faith opportunities to meet the needs of its citizens.

The City of Raytown is a Crossroads Community, Embracing Diversity and Working Together!

HOW YOUR TAX DOLLARS ARE SPENT

The Finance Department is the steward of both the property tax and sales tax revenues collected by the City. These revenues are used to fund City services and run day to day operations of the City.

SALES TAX (AS OF NOVEMBER 11, 2023)
The **City Sales Tax rate** is **8.4750%** of gross sales. Sales tax revenues are used to support several taxing entities including the City, State and County, as well as several special interests.

General Sales Tax.....	1.000%
Transportation Tax.....	0.500%
Capital Tax.....	0.375%
Public Safety Tax.....	0.500%
Park Board Tax.....	0.125%
TOTAL CITY.....	2.500%
(local sales tax rate on Recreational Marijuana is an additional 3%)	

State.....	3.000%
State (Prop. C).....	1.000%
Conservation.....	0.125%
Soil Conservation.....	0.100%
TOTAL STATE.....	4.225%
County.....	0.725%
KC Zoo	0.125%
County Stadium.....	0.375%
County COMBAT.....	0.250%
TOTAL COUNTY.....	1.500%
(local sales tax rate on Recreational Marijuana is an additional 3%)	

Fire District Tax.....	0.250%
TOTAL OTHER.....	0.250%
TOTAL SALES TAX.....	8.4750%

ABOUT THE RAYTOWN COMMUNITY

***Note:** There is one Transportation Development District (TDD) authorized by the Jackson County Circuit Court within the City of Raytown. This retail shopping district has levied an additional sales tax to pay for the cost of road infrastructure costs.

350 Highway TDD adds .1250% ($8.350\% + .1250\% = 8.4750\%$)

***Note:** There have been four Community Improvement Districts (CID) established within a portion of the City of Raytown. These districts have levied an additional sales tax to pay for the cost of community improvements.

350 Highway CID adds .8750% without the 350 Highway TDD sales tax
($8.4750\% + .8750\% = 9.3500\%$)

350 Highway CID adds .8750 plus 350 Highway TDD adds .1250%
($8.4750\% + .1250\% + .875\% = 9.4750\%$)

Ditzler CID adds 1% ($8.350\% + 1\% = 9.3500\%$)

Raytown Crossing CID adds 1%
($8.4750\% + 1\% = 9.4750\%$)

Raytown Square Shopping Center CID adds .500% ($8.4750\% + .500\% = 8.9750\%$)

RESIDENTIAL PROPERTY TAX

(AS OF NOVEMBER 1, 2023)

The **2023 Property Tax rate** for properties in the Raytown School District within the City of Raytown is **\$8.9600** of every \$100 of assessed property value. The **2023 Property Tax rate** for properties in the Hickman Mills School District within the City of Raytown is **\$8.4673** of every \$100 of assessed property value. The City's portion of the property tax is the same regardless of school district. The City's portion is **\$0.3792**. Each Levy is established in September before the tax bills are issued.

ABOUT THE RAYTOWN COMMUNITY

The Raytown Main Street Association

Bridging the present
to the future
in downtown Raytown.

Come Join Us!

www.raytownmainstreet.org

In 2007, 4 individuals from Raytown attended a Main Street workshop being held in Lee's Summit. Not long after that the Raytown Main Street Association was born.

RMSA is an education based 501(c)3 not-for-profit corporation working to revitalize downtown. In 2008, the first Town Hall meeting for the downtown businesses and community was held. Since that time RMSA has steadily grown and promoted many events downtown including the annual: Egg Extravaganza with Parade, Raytown Holiday Lighting Ceremony and the Raytown Community Gardens. Learn more, get involved, and help grow Downtown Raytown!

For more information go to our website: raytownmainstreet.org.

"What is the Main Street program", you ask? The Main Street program's success is based on a comprehensive strategy of work, tailored to local needs and opportunities, in four broad areas.

MAIN STREET **FOUR POINT APPROACH:**

Design: Enhancing the physical appearance of the commercial district by rehabilitating historic buildings, encouraging supportive new construction, developing sensitive design management systems, and long-term planning.

Organization: Building consensus and cooperation among the many groups and individuals who have a role in the revitalization process.

ABOUT THE RAYTOWN COMMUNITY

Promotion: Marketing the traditional commercial district's assets to customers, potential investors, new businesses, local citizens and visitors.

Economic Vitality:

Strengthening the district's existing economic base while finding ways to expand it to meet new opportunities -- and challenges from outlying development.

THE MAIN STREET PHILOSOPHY

The National Main Street Center's experience in helping communities bring their downtowns back to life has shown time and time again that the Four Point Approach succeeds only when combined with the following eight principles:

Comprehensive: A single project cannot revitalize a downtown or commercial neighborhood. An on going series of initiatives is vital to build community support and create lasting progress.

Incremental: Small projects make a big difference. They demonstrate that "things are happening" on Main Street and hone the skills and confidence the program will need to tackle more complex problems.

Self-Help: Although the National Main Street Center can provide valuable direction and hands-on technical assistance, only local leadership can initiate long-term success by fostering and demonstrating community involvement and commitment to the revitalization effort.

Public/private partnership: Every local program needs the support and expertise of both the public and private sectors. For an effective partnership, each must recognize the strengths and weaknesses of the other.

Identifying/capitalizing on existing assets: One of the National Main Street Center's key goals is to help communities recognize and make the best use of their unique offerings. Local assets provide the solid

foundation for a successful Main Street initiative.

Quality: From storefront design to promotional campaigns to special events, quality must be the main goal.

Change: Changing community attitudes and habits is essential to bring about a commercial district renaissance. A carefully planned Main Street program will help shift public perceptions and practices to support and sustain the revitalization process.

Action-oriented: Frequent, visible changes in the look and activities of the commercial district will reinforce the perception of positive change. Small, but dramatic improvements early in the process will remind the community that the revitalization effort is under way.

LOCAL ATTRACTIONS

RAYTOWN PARKS & RECREATION

5912 Lane Ave
Raytown, MO 64133
(816) 358-4100
raytownparks.com

Raytown's Parks and Recreation Department is dedicated to providing the citizens of Raytown with a variety of recreational facilities and programs at a reasonable cost. Residents of Raytown can now explore the range of benefits the city has to offer through our website. Please visit each section of our site and find out what we have to offer you!

Mission Statement

The Raytown Parks & Recreation Department was established under its own Board of Directors for the following purposes:

A. To serve the residents of Raytown and the general public by providing:

- A pleasant, safe, and well-maintained parks, recreational facilities, and equipment at a reasonable cost to the participant.
- A variety of recreational programs that are designed, scheduled and staffed to maximize

accessibility.

B. To provide a working environment for its staff that promotes safety, open communication, and fair treatment.

C. To provide the City of Raytown and its taxpayers a department that effectively and efficiently uses its funding and resources to generate a sense of pride in the community.

This 5-acre park includes a BMX track and soccer practice areas. raytownbmx.org

COMMUNITY EVENTS

47th Annual Fishing Derby

The Raytown Parks Department will host its Annual Fishing Derby on **June 1** at Kenagy Pond from 9:00 a.m.-11:00 a.m. The derby is free and open to Raytown residents of all ages. Registration for the derby will begin at 8:00am.

Kids Day at Kenagy (Date TBD)

This is a free event, open to all ages, 10 am - 1 pm. There will be a petting zoo for the kids to enjoy. Also, a police car, a firetruck, and an ambulance will be there for the kids to explore.

LOCAL ATTRACTIONS

Raytown Live

Raytown Live is a family-friendly concert on the Town Center Greenspace in Downtown (10009 E. 62nd St.) on the second Saturday of the month May thru September 7 to 9 pm. We invite you to bring blankets or lawn chairs, your favorite family picnic dinner - or grab a dinner from one of the on-site food vendors - and join folks from all over Raytown to kick back, enjoy the tunes, and get to know your neighbors.

ADULT SPORTS:

Adult Tennis League

This league allows all of the friendly competition that you could want. Each match consists of six no-ad sets including one set each of men's and women's doubles and two mixed doubles sets. Colman Park is the home of the Tennis League. Matches start at 7:00 p.m. and run approximately 2 ½ hours. Refreshments and balls are provided by the Parks and Recreation Department.

In addition, each participant will receive a free t-shirt. The cost of the league is \$45 for a 10 week session.

Adult Tennis Lessons

These lessons are \$50 for a five week session. You will learn the basic skills needed to play the game, the forehand, backhand, serve, and volley.

Lessons are on Monday evenings at 7 p.m.

Heart of America Senior Softball (50+)

Heart of America Softball is a Raytown based not-for-profit organization. They play at Colman Park. For more information, contact www.hasskc.com.

LOCAL ATTRACTIONS

YOUTH SPORTS:

Youth Tennis – USTA

The Raytown Parks will be hosting the USTA 8 & under/10 & under tennis classes at Colman Park. This program utilizes different court boundaries & a slower ball to help kids develop their skills. Classes will be held Monday evenings at 6 p.m. for five week sessions throughout the summer. The classes will cost \$45/participant. This is an excellent way to get your kids started off learning skills the right way with equipment sized to help them enjoy the sport.

Raytown Youth Basketball League

The League was established for the purpose of providing a healthy, recreational program for young boys & girls, kindergarten-6th grade, interested in basketball. The League seeks to teach fundamental basketball skills & techniques; provide fun, enjoyment & game competition with responsible adult leadership; teach sportsmanship under all conditions; build minds & bodies through good, clean, sportsmanlike play & vigorous exercise; teach

the importance of teamwork; & encourage all participants to complete what they start.

Baseball-Basketball-Soccer-BMX

Raytown is fortunate to have several not-for-profit organizations providing youth sports for our kids. Because these organizations do such a good job, we choose not to offer competing and/or conflicting programs. We rely on them to run the programs that meet the youth sports needs in our community & they rely on us to provide some of the facilities they need to offer their programs. It's an efficient relationship that serves our community well & saves lots of tax dollars as a result. The youth sports organizations are: Raytown BMX and Raytown Youth Baseball/Softball Association.

LOCAL ATTRACTIONS

CAVE SPRING

8701 E. Gregory Blvd. • KC, MO 64133
816-419-9465 cavespring.org

Cave Spring is a 36-acre urban nature center and historic area. Since it's beginnings along the Santa Fe Trail, the Cave Spring area reflects

the diversity of our Kansas City cultural and natural history.

During the 1840's, covered wagons traveling west passed by the area owned and farmed by the Barnes family. Jesse Barnes purchased the Cave Spring land and allowed wagon trains to camp here. His home was across Blue Ridge, in the area now known as Gregory Heights. His land was known as the Barnes Enclosure.

In 1874-1877, the property was owned by Solomon Young, the maternal grandfather of Harry S Truman. During this time, Harry Truman was a dirt farmer in Grandview. A Life Magazine article from 1945, about Truman's life during his late 20's (circa 1910), a photo caption reads "On a Missouri hayride, Farmer Truman... often picnicked with friends at Cave Spring in the prairies or on limestone ledges near Independence, Mo." A standard dating custom was to take long hikes in the woods and it's very likely that Harry and Bess spent time at Cave Spring. They were married in June, 1919.

1909 - 1913 The Daughters of the American Revolution marked the trail with pink granite markers all the way to Santa Fe. The Cave

LOCAL ATTRACTIONS

Spring marker is along Blue Ridge, about one-half block south of Gregory. The marker says 'Cave Spring' at the bottom and the DAR only titled the markers where actual trail campgrounds existed. In 1925, a dairy farm was located above the cave and the concrete enclosure outside the cave was a spring house where milk was stored in cans. The chimney above the cave is all that remained of the house after it burned in 1925.

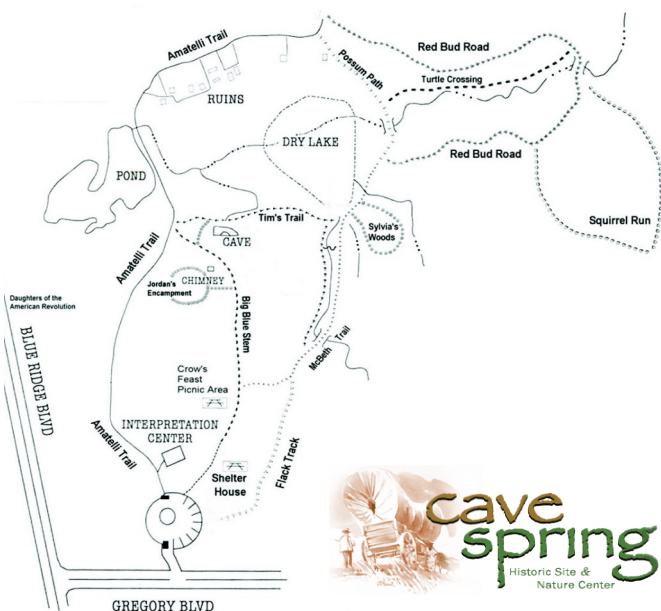

Urban and Gladys Kroell then purchased the land in 1926 and opened 'The Cave Spring Club', a private country club. There was a nine hole golf course, cabins around one of the two lakes, boating, swimming, and fishing. During the 1930's, the Cave Spring Club offered a respite from the city for golfers and their families. The Kroells' son was drafted into the Navy for W.W.II and was MIA by 1943. Distraught, they closed the club. During and shortly after the war, the cabins were rented year-around to help in the housing shortage. The Kroells tried to reopen the club in 1948 but were unsuccessful. The campground's cave was forgotten for a number of years until 1948 when construction of Our Lady of Lourdes church at the corner of Gregory & Blue Ridge revealed its existence to a new generation. The construction job located a cave and spring underneath what is now the church parking lot. They diverted their spring and this impacted our spring as well. Exploration of the cave and its passages by KU scientists rated considerable newspaper coverage at the time.

In 1957, Cave Spring was sold to William Klein as speculation for the Milton Petroleum Co. He and his father intended to put a filling station on the property but neighborhood

residents fought it. A period of general dormancy, disrepair, and neglect of the Cave Spring area followed the vandalizing of the summer cabins in the 1950's. This condition prevailed until 1975.

In 1975, Sylvia Mooney moved next door to the park. With her persistence and love for nature and history, she was able to organize and energize a group of people to obtain grants for acquiring the Cave Spring land. The Cave Spring Association, a not-for-profit organization, was founded in 1975 to preserve the historic Santa Fe Trail area in its natural state for the use of the citizens of Jackson County, MO. The organization manages and maintains the William Klein Park and the Art Clark Memorial Nature Center. The site was placed on the National Register of Historic Places in 1978.

In the 1980's, the park was named in memory of William M. Klein. The Cave Spring Interpretive Center was opened and the first wing of the building was named in memory of Art Clark. Art was a 1977 Raytown High School graduate and was a student of forestry at the University of Missouri when he died of

LOCAL ATTRACTIONS

leukemia. In 1990, the pond was drained and restored and the National Guard re-built one of the bridges. The extension to the nature center was added which greatly improves our ability to serve youth groups and offer nature and historical displays. The two small garden areas near the entry to the park were created by the friends and family of Ann Harrison, a young Raytown girl whose life was taken suddenly.

The Interpretive Center contains a complete display of the history of the 3 Historic Trails and is open to the public on a daily basis. The park is part of the Jackson County Missouri Parks Department and operated by the Cave Spring Association. The association also owns the site at 85th & Manchester where the Wieduwilt Swales are located. There are many attractions at the park: a water garden, bird sanctuary, nature center, shelter house, butterfly garden, cave, rock climbing, waterfall area, ruins of 1920 cabins, Harrison memorial flower gardens, many animals, a pond, a Scout encampment and our Santa Fe Trail marker. Cave Spring park has over 6 miles of walking trails. The scenic trails are wood chipped for the nature hikers and some are paved for the handicapped. Our trails are open 365 days a year and sometimes are a real adventure.

The easily traveled hiking trails combined with the natural features of a cave and wildlife habitat pond allow many opportunities to pursue ecological studies. School children and adults visiting Cave Spring are introduced to the ecology of the Kansas City area through natural history and cultural history studies. Volunteers and staff of Cave Spring have developed a series of outdoor education

programs that demonstrate Native American and pioneer skills and the historical and present day use of our natural resources.

Today, Cave Spring serves metropolitan Kansas City as an outdoor education facility. Guided hikes and educational opportunities are available for school field trips and adult and youth groups. "A naturalist's heaven" is the way one visitor described the park. Over 74 different varieties of flowers have been identified. The prairie grasses, cattail marsh, meadows and other areas of natural growth offer a constantly changing opportunity for nature study. The park is one of the favorite day-trip excursion areas in the metropolitan Kansas City area for science and nature enthusiasts and nearly 8000 school kids and scouts each year.

After many years of submitting applications Cave Spring has been officially certified by the National Park Service as a site on the Santa Fe, Oregon & California National Historic Trails which cross the east section of the 40 acre park. This newly certified site will be a major asset in enhancing the Trails experience for today's travelers and visitors. It is also the site of a SFTA Geotour cache.

LOCAL ATTRACTIONS

RICE-TREMONTI HISTORIC HOME & AUNT SOPHIE'S CABIN

8801 E. 66th. • Raytown MO 64133
816-358-7423 rice-tremonti.com

The home and surrounding 6 plus acres is located alongside the Santa Fe Trail. The oldest standing frame house in Jackson County, Missouri, the Rice-Tremonti Home,

along with Aunt Sophie's Cabin, have borne witness to the sweep of American history. With beginnings as a way-point on the Santa Fe Trail and as jumping off point for emigrants to Oregon and California the wooden house endured the ravages of border warfare and the Civil War. With a history spanning 173 years, the Rice-Tremonti Home has an important story to tell.

This site was settled first in 1836 by Archibald Rice. The Rice's settled on a claim of 160 acres in what is now Raytown. The homestead was located eight miles from Independence on the Santa Fe Trail. The family cleared the land and originally built a two-story log house and several cabins for slaves. After an eight-year habitation, Archibald and Sally built a new Gothic Revival frame farmhouse in 1844. The Rice Farm quickly became a popular camping site for travelers bound for Santa Fe and California.

There was space for wagons, springs for watering, corn and prairie grasses for feeding animals. At least 27 original accounts by travelers (dating from 1838 to 1849) spoke

favorably of Archibald Rice's hospitality. During those years restless farmers and their families were undertaking the long trek to Oregon and soon thousands of travelers were rushing to the gold fields of California.

Archibald died in Oct. 1849 and his estate passed to his son, Elihu Coffee Rice. When Coffee and Catherine "Kitty" Stoner White were married in Nov. 1850, the slave Sophia White accompanied Kitty to her new home.

Sophia attended the births of the couple's five children and became known affectionately as "Aunt" Sophie. She lived in a small cabin near the back door of the Rice home, where she cooked the family's meals in the large hearth.

The old cabin went through many incarnations over the years. In 2004 the Friends of the Rice-Tremonti Home replaced Aunt Sophie's Cabin using antique logs exclusively. A cabin presumably has stood in that location since the 1830s.

The Civil War brought crisis to the Rice family. As slave holding southerners, the family evacuated to Texas in 1861, entrusting the care of their home to James Hunter and family. In 1863 following the imposition of martial law, all remaining southern sympathizers in Jackson County were forced from their lands. The Hunters were evicted from the house. For reasons unknown to later generations, the Rice home escaped destruction, unlike so many of Jackson County's antebellum houses.

The family returned and re-claimed their home in 1866. Aunt Sophie remained with the Rice family and continued to live in her cabin until shortly before her death in 1896.

LOCAL ATTRACTIONS

Her grave in Woodlawn Cemetery was finally marked in 2004 by the city of Independence. Coffee Rice had become a prominent Jackson County citizen, serving as road commissioner before his death in 1903. In his will, Coffee Rice stipulated the old home place be sold.

Between 1906 and 1922 the land was owned by Judge Joseph M. Lowe and his son. There were many changes to the house and grounds including a chicken dinner restaurant and an iris farm. Judge Lowe was a founder of the National Old Trails Association, and influenced the Daughters of the American Revolution to mark the route of the Old Santa Fe Trail across Missouri with pink granite markers. The marker commemorating the Rice plantation was dedicated on May 15, 1913.

In 1929, Dr. Louis G. Tremonti and his wife, Lois Gloria, bought the Rice house and two adjoining lots and undertook an extensive renovation, adding six dormers on the second floor, and extending the kitchen in back.

Dr. Tremonti practiced medicine in an examining room on the west side of the house. The Tremontis endeavored to retain the old house's historical integrity. The house was placed on the National Register of Historic Places in 1978. Dr. Tremonti died in 1949. Gloria continued to savor life in her historic home and lived there until 1987.

In 1988 Mrs. Lois Gloria Tremonti sold the property to the Friends of the Rice-Tremonti Home Association, which undertook the campaign to restore the house, which had fallen into a state of serious deterioration. After 13 years of effort, the Friends in 2000 secured state grant funding sufficient to retire the \$300,000 private mortgage. The late Sen. Harry Wiggins and the Mid-America Regional Council were instrumental in securing state funding for Rice-Tremonti.

In 2015, after many years of diligent work by many people, Santa Fe Trail Association has honored the Rice-Tremonti Home Association with the Pete & Faye Gaines Memorial Heritage Preservation Award.

THE FRIENDS OF THE RICE-TREMONTI HOME

The Friends of the Rice-Tremonti Home formed in 1988 with a mission to preserve and restore one of the few remaining pre-Civil War houses in the Kansas City area. The mission is ongoing. Today the property is owned by the City of Raytown, however, the Friends of Rice-Tremonti are responsible for all fund-raising, administration, upkeep and restoration activities. No tax monies are used in support of Rice-Tremonti.

That's why they need you to become a member today and help their ongoing efforts to preserve this remnant of our pioneer heritage. They are a not-for-profit 501 (c) 3, tax-exempt organization.

AVENUE OF FLAGS D.W. NEWCOMER'S FLORAL HILLS CEMETARY 7000 Blue Ridge Blvd. KCMO 64133 (816) 353-1218

In cooperation with the families of veterans interred here, D.W. Newcomer's Floral Hills is proud to present The **2024 AVENUE OF FLAGS**.

Floral Hills Memorial Gardens marks the **56th** anniversary of its special holiday tribute to our veterans this year. According to the American Cemetery Association, our Avenue of Flags is one of the largest displays of its kind in the nation on Memorial Day.

For years, Floral Hills has wholeheartedly cooperated with all veteran organizations and have seen that a small American flag was available for each veteran's grave on Memorial and Veteran's Day. However, we desired to go one step further and we created an even more personal tribute to our veterans by flying a large 5 x 9 flag atop a 20 foot pole spanning 25 feet apart. Each flag represents a veteran that has served our country from the Spanish-American War, World War I, World War II, the Korean War and from the Vietnam conflict. Each flagpole carries the name of a veteran and they line the roadways throughout our cemetery. It is a spectacular display of patriotism to these veterans.

JACKSON COUNTY PARKS + RECREATION

**22807 Woods Chapel Road
Blue Springs, MO 64015
(816) 503-4800**

Raytown is nestled in Jackson County and offers the best in land and water recreation. The Jackson County Parks + Recreation offers boating, beaches, hiking, historic sites, and with over 230 camping sites. It's all about "FUN" when you spend a day with Jackson County Parks + Recreation. For the land lover, Jackson County has one of the largest park systems of any county in the United States. For the water enthusiast,

Jackson County is home to fantastic beaches and lakes, with the finest public marinas in Missouri. There are three different lakes, Longview Lake, Lake Jacomo and Blue Springs Lake. Everything from windsurfing, sailing, boating and swimming to riding jet skis to paddle boats to cruising around the lake on a pontoon is enjoyed by residents and visitors during the summer months.

Jackson County Parks + Recreation offers its residents and regional neighbors 21,000 acres of premier outdoor enjoyment for "get-away-from-it-all" weekends and vacations. From boating and biking to hiking and horseback riding, get on the go! From softball and baseball to soccer and golf, get into the game! From beaches and campgrounds to picnics and fishing, just sit back and relax.

"LIVING" HISTORIC SITES

Discover the vital role Jackson County played in American history. Visit Fort Osage and discover the exploration of Lewis and Clark. Missouri Town portrays an 1855 antebellum farming community. The Truman Courthouse defines Harry S. Truman's rise to the presidency. The County's historic sites come to life with historic interpreters dressed in

1967 marked the first election for the Truman Sports Complex; a state-of-the art two stadium complex, the first of its kind in the United States. The Kansas City Chiefs played their first game on August 12, 1972 while the Kansas City Royals opened their stadium on April 10, 1973. For over four decades the Truman Sports Complex has been the iconic home of the Chiefs and Royals with millions upon millions of fans celebrating each and every victory.

Fast forward to April of 2006 when Jackson County voters authorized the much needed renovation of both Kauffman Stadium and Arrowhead Stadiums by passing a 3/8 cent sales tax.

Renovation of Kauffman Stadium began quickly and by late 2006 renovation of some "back of house" areas with the stadium and the installation of a new warming track had begun. Work kicked into high gear in October of 2007 widening concourses, replacing the scoreboards, adding restrooms, a new restaurant and rooftop party deck in right field, new centerfield concourse creating a 360 degree experience. Total cost of the "New K" renovation finished at \$275 million and was completed in July 2009 with the grand opening of the Kansas City Royals Hall of Fame.

Across the parking lot, the renovation of Arrowhead Stadium was completed in time

for the 2010 football season. Prior to the 2009 football season, the Chiefs financed a new practice and office complex that was completed to make room for the widening of the concourses. The total cost of the renovation to Arrowhead was \$425 million. The improvements to Arrowhead included: doubling the size of the concourses to relieve crowding, new scoreboards, electronic message boards and a new stadium sound system. Other improvements included: new restrooms and concession stands on all levels as well as seating improvements to all concourse levels.

For the 2021 NFL season, the home of the Chiefs will be GEHA at Arrowhead Stadium.

In 2012 the JCSCA began work on a unique project together with Burns & McDonnell on a Stadium Assessment Project. This project created a database of condition assessment surveys and pictures that documented the wear and tear, as well as, the resulting maintenance of Arrowhead and Kauffman Stadiums. The project was undertaken after the completion of the stadium renovations in order to protect the taxpayers' interests in their new "first class" stadiums. With the assessment completed annually, it will insure that the Kansas City Chiefs and Kansas City Royals uphold their leases regarding stadium maintenance and repairs.

The JCSCA also completed a native grass project over 2013-2014. This project added over 60 acres of native grasses and

LOCAL ATTRACTIONS

wildflowers to the facility specifically onto Signal Hill and the green areas outside of Dubiner Circle. They received high praise from local media, including Royals announcer Rex Hudler during multiple broadcasts, for the beauty it added to the grounds of the Truman Sports Complex. In early 2016, the JCSCA issued a controlled burn of the native grasses to clear out underlying weeds and provide the soil with nutrients so the grasses would grow back fuller and healthier in the spring. Another burn is planned for the spring of 2019. Additionally, in the summer of 2016 the JCSCA overhauled the Gate 5 entrance to the complex installing all new landscaping and additional fencing to various other gates in the complex. The JCSCA continues to add landscaping features to improve aesthetic at all the major entrances to the complex.

In 2017, The JCSCA underwent a massive overhaul to replace all of the parking lot lights on the complex with newer and more efficient LED lamps and bulbs in an effort to "Go Green" at the Truman Sports Complex. This will drastically reduce electricity use and costs throughout the entire complex and

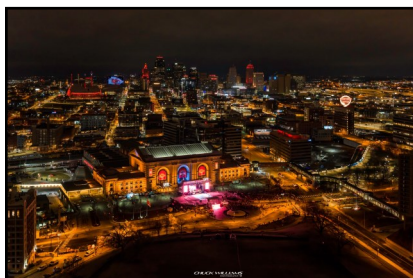

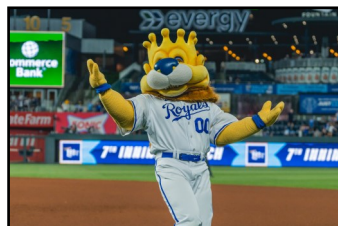

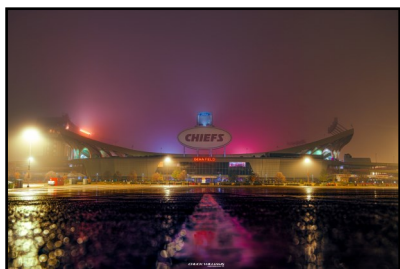

make the complex a more environmentally friendly and conscious place. Ahead of the 2018 baseball season, Kauffman stadium went through preparations and construction to replace all of the field lights with new LED lamps and bulbs. Completed by the end of 2019, the entirety of the complex was changed over to the new LED system. In addition to LED lighting, the JCSCA added several new charging stations and parking spaces for energy efficient and hybrid vehicles making it more convenient for visitors to reduce their carbon footprint.

The Jackson County Sports Complex Authority will continue to make multiple improvements to its grounds in the upcoming year. For more information on Arrowhead Stadium and Kauffman Stadium or to get JCSCA details, go to jcsca.org.

*Raytown's city limits are just minutes from the Sports Complex and are proud to be able to offer amenities to those heading to events being held at GEHA Field at Arrowhead and Kauffman Stadium. Visit these two websites for updated information on games and events including the 2026 World Cup.

6800 Zoo Drive KCMO 64132

There's more Zoo for you to explore! 202 acres of adventure filled with more than 10,000 animals. Travel around the world without ever leaving the Kansas City Zoo!

What does a stingray feel like? Find out at Stingray Bay where you can touch and even feed two species of stingrays and bamboo sharks as they glide through their 20,000 gallon pool.

Explore a penguin empire at Helzberg Penguin Plaza. Journey to the Polar Bear Passage and marvel at our polar bear's beauty and strength. Take a spin on our Endangered Species Carousel, ride the train then continue your journey on the tram to our award-winning African exhibit. Fly overhead to get a birds-eye view of giraffes, hippos, zebras and more on our Sky Safari, landing at "one of America's best chimpanzee exhibits" as proclaimed by renowned primatologist Jane Goodall.

Sobela Ocean Aquarium is now open! This world-class facility is home to nearly 8,000 animals in 34 habitats that tell the story of how ocean currents connect animals across the globe.

Take in an animal keeper chat to learn more about the animals, their care, and the food preparation that are all part of daily life at the Zoo.

For more information visit www.kansascityzoo.org. The Kansas City Zoo - always a new adventure! Open Year Round.

RAYTOWN SAFETY

RAYTOWN POLICE DEPARTMENT

**10000 E. 59th Street
Raytown, MO 64133
816-737-6020
www.raytownpolice.org**

Mission Statement

The Raytown Police Department under the leadership of Police Chief Robert Kuehl, is responsible for the safety and well-being of over thirty thousand residents within a ten and one-half mile area.

Department Organization

The department's current authorized strength is 41 full time commissioned officers and 21 civilian employees.

The Department is organized into four areas of operations: Patrol/Field Operations, Investigations/ Internal Affairs/Property and Supply, Dispatch/IT/Volunteer Corps, and Budget/Fleet/Detention/Emergency Preparedness. Each operational area is commanded by a Captain, who report to a Deputy Chief.

The Patrol and Field Operations is the largest division within the Police Department consisting of one Captain, 4 Patrol Sergeants, 4 Patrol Corporals, and 17 Patrol Officers and 3 Impact Squad Officers. Uniform Patrol Officers patrol all areas within the city limits, answer calls for service, conduct traffic enforcement and crash investigations, conduct field investigations and assist other emergency service providers when needed.

The Investigations division consists of a Captain, two Investigations Sergeants, five Detectives, a civilian Crime Analyst, and two civilian Property and Supply Unit technicians. The Investigations Division conducts follow-up investigations on crimes ranging from City ordinance violations to Federal Felonies, often working in partnership with other State, Local and Federal agencies.

The Budget, Detention, Fleet and Emergency Preparedness division consists of a Captain and civilian staff, which includes a Detention Supervisor, seven Detention Technicians, an Executive Assistant and the Records Unit, with an Administrative Assistant and one Records Clerk, who maintains all pertinent records associated with the Police Department. The division Captain is also responsible for annual budget preparation and management, as well as Fleet Maintenance and Emergency Preparedness for the City.

The Dispatch, IT, and Volunteer Corps division consists of a Captain, the Department's Communications Unit, which consists of one civilian supervisor and six Communications Technicians. The full time communications staff mans the Public Safety Answering Point (PSAP) for Raytown handling 911, radio and communications needs for the Police Department. This division also includes management of the Department's IT services and volunteer corps.

RAYTOWN SAFETY

Community-Police Partnerships

The Raytown Police Department embraces a philosophy of Community Policing as an enhancement to traditional methods of law enforcement. Community Policing in Raytown has evolved into a comprehensive program made up of problem solvers from various city departments, all working together with Raytown's businesses and residents. Community Policing in Raytown is an integral part of law enforcement operations in the city. City departments, notably, Administration, and Development and Public Affairs all work closely with the Police Department to address issues of concern to residents. Alliances with community groups, social service agencies, and various businesses have laid the foundation for a relationship built on trust, understanding and cooperation.

Community Policing in Raytown is a comprehensive philosophy implemented at the command staff level in cooperation with city management; administered by mid-management police supervisors tasked with team-building and resource support; and applied by all employees, sworn and civilian alike. Although Community Policing in Raytown is primarily a Patrol Division function, its policies and coordination are integrated throughout the entire department.

COMMUNITY PROGRAMS & RESOURCES

Volunteer Corps

The Volunteer Corps program utilizes a volunteer work force to strengthen community relations and help build strong partnerships, allowing police personnel to stay more focused on the police work rather than other time consuming projects that can be completed by volunteers.

Community Emergency Response Team (CERT)

The Community Emergency Response Team (CERT) program educates citizens about disaster preparedness for hazards that may impact their area and trains them in basic disaster response skills, such as fire safety, light search and rescue, team organization, and disaster medical operations. Using the training learned in the classroom and during exercises, CERT members can assist others in their neighborhood or workplace following an event when professional responders are not immediately available to help.

RAYTOWN SAFETY

Citizen's Police Academy

The Raytown Citizen's Police Academy is a great way for citizens to learn about the inner workings of the department. Participants will have the opportunity to complete a ride-along with a police officer and will learn about multiple topics including Crime Scene Investigation (CSI), Neighborhood Crime Watch, narcotics, SWAT, crime analysis, patrol operations, and a tour of headquarters. Registrants must be 18+ or a senior in high school and prospective participants must complete a background check before confirming enrollment. The program is always free to join and is typically held once a year.

Ride-Along Program

The Police Department Ride-Along Program enables the general public to observe firsthand what officers encounter during a normal tour of duty. To qualify for the program, the ride-along applicant must be at least 18 years of age or have the written approval of their legal guardian if 14 to 17 years of age.

RAYTOWN FIRE PROTECTION DISTRICT

6020 Raytown Trafficway
Raytown, MO 64133
816-737-6034 M-F 8am-5pm
raytownfire.com

Our Mission

"WE EXIST TO HELP THOSE IN NEED"

The mission of the Raytown Fire Protection District is to provide the best service possible to our community. We provide a wide variety of services including fire suppression, EMS treatment and transport, rescue services, fire prevention and public education. We are here to help!

Our firefighters are some of the best in the country and are extremely proud of their Fire District. With their pride comes ownership; an ownership that has been forged by a belief in core values such as pride, tradition, honor and integrity.

We consider your family our family and our firehouses your firehouses. Whether you are a resident, business owner or visitor, our goal is to take care of you as if you were a member of our family, because you are!

The District is adjusting to the post COVID-19 pandemic, which challenged our firefighters and emergency services nationwide. We continue to focus on providing quality, patient centered service. Our personnel continue to take appropriate precautions to ensure patient and provider safety.

If I can be of any additional service to you, on behalf of the Raytown Fire Protection District, please do not hesitate to contact me.

Respectfully, Matt Mace, Fire Chief

Email: mattm@raytownfire.com

Web: www.raytownfire.com

Facebook: facebook.com/Raytownfire

Twitter: follow@RaytownFireDist

Blog: raytownfire.blogspot.com

The District staffs two fire stations with a pumper and ambulance at each station. A third station is currently used for our Community Paramedic, training and reserve vehicle storage. While we share boundaries with the City of Raytown, we are an independent taxing entity. The District was founded in 1947 and is authorized to operate under Missouri Statute Chapter 321. We are governed by a three-member elected board of directors with each director serving a staggered six-year term. The District employs 48 full time personnel under the supervision of an appointed fire chief. Each shift has 13 personnel, with one additional chief officer assigned as the shift commander. Our staff is deployed in three battalions which each work 24 hours on duty followed by 48 hours off duty. Facilities, Equipment & Apparatus Maintenance divisions are responsible for three stations, three pumpers, one aerial, four ambulances and numerous assorted support vehicles.

The District has signed mutual aid agreements with all jurisdictions on the Missouri side of the metro area to send & receive apparatus & manpower should the need arise. In 2009, the District entered into an agreement with the Kansas City Fire Department (KCFD) for "automatic aid". This is an upgrade to other mutual aid agreements. The District agrees to respond to calls for service within a geographical boundary for fire & EMS services. KCFD does the same within the Raytown city limits. The units sent to any specific incident are based on the closest available units with the appropriate resources rather than city limits or jurisdictional boundaries. Additionally, as part of the agreement, KCFD adds their units to structure fire incidents in Raytown and provides specialized assistance for high-rise fires, hazardous materials spills & leaks, building collapse rescue, high angle and swift water rescues. EMS transport services are still provided and received with KCFD on a mutual aid basis. With automatic aid, instead of just having up to 14 Raytown Firefighters,

RAYTOWN SAFETY

there could be as many as 43 firefighters on the scene during the first 12 minutes of a residential fire.

This is safer for our firefighters and our citizens as more time critical tasks can be performed simultaneously. Rescues and medical care can be provided sooner & fire losses can be reduced by leveraging the increased response. The significance of this is compounded when you factor in the use of lightweight construction materials in modern construction. A structure built in the 1980's can be exposed to fire for 18-24 minutes before collapse whereas a lightweight structure may fail in as little as 7 minutes.

The Insurance Services Office (ISO) assigned Raytown a class 1 rating in 2018. This is the best rating assigned by ISO. We maintain that rating in 2023. This was a significant improvement from the previous class 4 rating. This rating is used to set the insurance rates for commercial properties. Most insurance underwriters also factor in this classification when they set the insurance rate for residential properties. The lower the classification number, the better the fire delivery & the possibility of lower insurance premiums.

In 2022 the District responded to 8038 calls for service. The ratio between fire related & emergency medical incidents is approximately 84% medical & 16% fire related. For 2023, incidents are projected to exceed 2022 numbers by 10% or just over 800 calls. For reference, 2019 was our first full year of ambulance operations and we responded to

6362 calls. Even though we have experienced a 18% increase in call volume since then, our response times have remained well below the National Standard of five minutes and twenty seconds. For 2023, the District is averaging a four minute and twenty-five second response time for incidents in Raytown.

In 2021 the District was able to utilize Cares Act Funding to meet a long-term goal of establishing a Community Paramedic Program. This program is referred to as the Raytown HELPS Program and it is

designed to help the citizens of Raytown live a healthier more self-sufficient lifestyle. What does HELPS stand for? It is our focus to meet the **HEALTHCARE** needs in our community, to provide **EDUCATION** to our residents and give them added knowledge, to support quality in living and providing **LIFE SUSTAINABILITY** and independence to the people of the community in need, to offer **PREVENTION** programs for disease prevention and to reduce the frequency of needing to go to the emergency department, and to provide the necessary resources and programs to make **SAFETY** an integral part of our patients' lives. This program carries on the tradition of the Raytown Fire Protection District's unrelenting drive to always seek new ways to help those in need.

RAYTOWN QUALITY SCHOOLS

In 1903, eight independent elementary schools consolidated in order to provide the best education for their community and more than 116 years later, Raytown Quality Schools continuously renews its vision for quality education during an ever exciting time of growth and change.

The work we are doing at Raytown is for the children. The theme for this school year is Ray of Hope: Happiness, Opportunity, Purpose, Excellence. We are here to encourage excitement for students as they walk through those doors every morning. We are here to serve as an inspiration to excel in school academically and socially. We are here to curate dreams, and endless possibilities and opportunities for our students. We are here to challenge students to strive to reach their academic and social potential, through programs and resources they need to succeed.

We are lucky to live in a community that supports us at every turn, providing opportunities and resources for our students to be successful both inside and outside the classroom.

Connect with us:

Eight independent elementary schools consolidated to provide the best education for their community in 1903, and more than one hundred sixteen years later, Raytown Quality Schools continuously renews its vision for quality education during an ever-exciting time of growth and change. Staff and parents challenge students to strive to reach their academic and social potential, and the district helps provide the programs they need to succeed. Raytown is a fully accredited district by both state and national standards.

Throughout the Raytown community, residents have come to “Expect the Exceptional” in both student and staff performance, and they continue a strong tradition of community support.

Raytown Quality Schools has programs that reflect the community’s commitment to education at any age. From early childhood to adult education, nearly everyone can find a program of interest and value.

Our students are driven, high-achieving and keep the quest for excellence alive and well in Raytown. The district is also home to the 2018 National ProStart Culinary Arts Champions and the 2019 National ProStart Culinary Arts second place team. District culinary students train in the state-of-the-art Herndon Career Center Culinary Institute. The institute is home to the student-led restaurant, Cinder. The ribbon cutting for the institute took place

in the spring of 2021, with pop-up events and dine-in experiences for the community that happen throughout the school year. The Herndon Career Center Culinary Institute and Cinder are Strong Bonds, Bright Futures projects.

Several prestigious local, state, and national designations have been awarded to the district in the 2022-23 school year, including: 2022 Healthiest 100 Workplaces in America by Healthiest Employers; named as one of Kansas City’s Healthiest Employers for 2023 by the Kansas City Business Journal; the district’s fine arts program received the District Distinction Award from the Missouri Alliance for Arts Education; the district’s music education program received the Best Communities for Music Education designation from the NAMM Foundation; and the finance department received the Meritorious Budget Award from the Association of the School Business Officials International.

The Quality Care Clinic, operated by Premise Health, and Raytown Schools Wellness Center opened during the 2015-16 school year. The Raytown Quality Care Clinic has continued to provide exceptional levels of service to medical plan enrolled employees, pre-Medicare retirees, and family members, since 2015. 2022 data indicates that 99.7% of patients rated services as good/excellent, were likely/very likely to return, and would recommend the clinic to others.

RAYTOWN QUALITY SCHOOLS

Since opening, employees have saved over an estimated \$772,400 in out-of-pocket expenses by utilizing the clinic. The Raytown Wellness Center, free of charge to all full-time employees of the district, had 1,680 district memberships as of September 2023.

The district's commitment to keeping students and staff safe can be witnessed through the construction of guided entries in buildings, installation of the Barracuda Intruder Defense system and the use of Raptor, a visitor monitoring system, which checks in visitors to the school by scanning a valid state ID and obtaining a background check almost immediately.

The district boasts a robust 1:1 technology device program that supports students of all ages. The district is also a recipient of the Consortium for School Networking (CoSN) Trusted Learning Environment Seal, recognizing the district's commitment to ensuring the privacy and security of student data. The district also received the Common Sense Media certification for taking a whole-community approach to preparing students to use the digital media to explore, create, connect, and learn.

One of the hallmarks of the district's instruction is its ability to offer specialized

programs designed to meet a variety of student needs, such as the Advanced programs offered by the district that provides students the opportunity to earn college credit. Herndon Career Center prepares students for immediate employment after graduation, or a head start on college hours. The Southland Center of Advanced Professional Studies (Southland CAPS) program offers five different strands of learning opportunities for students, including: Animal Health Sciences, Business Innovation and Creation, Education Exploration, Technology Solutions, and Turf Management and Horticulture. Students work with industry partners learning more about problem-solving and meeting deadlines.

New Trails Early Learning Center and Three Trails Preschool house a free half-day preschool program open to all 4-year-olds in Raytown.

Raytown Success Academy ensures that students who need additional support in conventional classroom situations receive other opportunities for success. Complete special education services are available to students requiring these programs, with many spending time in the regular education classroom setting. Additionally, Northwood School

RAYTOWN QUALITY SCHOOLS

serves students with disabilities who live within the district's attendance boundaries.

The district is also known for its support systems for teachers both new to the profession and experienced. Extensive staff development with a research base is prevalent throughout all academic areas. Collaboration among educators, parents, and others who live and work in the district boundaries, has created a sense of community, with the common goal being student success.
